This report is written by P.O. Taylor MOTIFF assigned to District 7 Late Power shift Squad 7468.

On Sunday, January 18, 2026 at 11:58 PM I was dispatched to 4750 N Hopkins St for a Battery complaint.

Upon arrival I did not observe anyone outside fighting or arguing. I spoke to security who stated that two females had an altercation inside and both were removed from the location. I was advised that both parties left in opposite directions.

I spoke to the caller who stated that she was removed from the location after a physical altercation. She stated she was hit by the other female and she didn't understand why she was taken out as well. I attempted to meet with the caller since she had left, but she stated she didn't want to and would report the incident at a district station tomorrow.

LICENSED PREMISE REPORT

Nallen, Juliana M 028475

02/17/2026

This report is written by P.O. Juliana NAILEN, assigned to District Seven, Late Power Shift, working Squad 7430 with P.O. Rafael VILLAGOMEZ.

On Monday, February 16th, 2026, at approximately 10:51pm, my partner and I responded to Gold Diggers located at 4750 N. Hopkins St., in the City and County of Milwaukee, to assist Squad 7467 (P.O. Kristopher WALKER and P.O. Lupe RIVERA) and Squad 7410 Sergeant Jesse BUSSHARDT regarding an investigation of a Battery complaint they were flagged down for at N. 36th St. and W. Hampton Ave.

The incident occurred at Gold Diggers, where five female subjects sprayed bear mace in the main interior entrance to the establishment. We spoke with multiple subjects on scene who provided information, as well as a victim, and the owner of the establishment, Michael RAY Sr. (b/m 04/27/78). RAY also responded to the scene and assisted us with video footage and was cooperative. We did confirm that the establishments licenses were valid. Employees and patrons were cooperative.

Please refer to the initial report and supplemental reports for details regarding the incident.

One suspect was taken into custody regarding this incident.

End of report.
