Ms. Kuether-Steele,

Please see that the following testimony is placed in the record and, if possible, read at the Public Works Committee meeting today, February 13, 2019, under agenda item #181537:

**The Milwaukee Economic and Climate Justice Coalition supports solar facility installations at City-owned buildings and further actions that would maximize both (a) sustainable energy in Milwaukee and (b) business and employment opportunities in sustainability fields for Milwaukee's minority communities.**

**Larry Hoffman, Ph.D.**
