Dear Ms. Polanco:

Re: File # 231494, 2364 South 20th Street

The Department of City Development (“DCD”) reports that the tax-foreclosed property located at 2364 South 20th Street, Tax Key #496-1704-000, is not suitable for use by public agency or community-based organization.

The residential structure is currently vacant. There were 7-8 people present during the initial inspection of the property. The Department of Neighborhood Services and the Milwaukee Police Department assisted DCD with the placarding of the property on 1/19/23 due to a lack of electricity except for the attic, no heat to the property, and three people living in the attic and two people living in the basement of the home. Electric service was being supplied through spliced extension cords. There were folks actively consuming drugs on the premises during the placard. There were 12-15 people in the property at the time of the placard. Photos are attached to this letter.

Administrative costs incurred by Department total \$0.00. We anticipate substantial charges to be added in the future for fully boarding up the property.

If you have any questions, feel free to contact Deborah McCollum-Gathing at 414-286-5738.

Sincerely,

Amy E. Turim, Real Estate Development Services Manager
