Mayor Barrett and Members of the Common Council:

On behalf of the Brady Street Business District, BID#11, we have voted to endorse the City of Milwaukee's Streetcar Project. BID#11 understands the positive value of creating attractive downtown areas that promote livability – linking housing, jobs, economic development, and entertainment districts with an active pedestrian and versatile transportation environment. Streetcars have the ability to attract businesses, residents, and visitors alike and provide a catalyst for forward thinking.

Thank you,
