To Whom It May Concern
I AM writing to you for a
reconsideration decision on my claim.
The claim is for \$609.31.

It stated in the denie letter
that there was no sign of damage, when
the forestry crew arrived.

That's A lie!!

The crew didn't look at nothing,
the crew only grabbed the down branch
and left.

The crew also did not come up to
my door for me to show damage to
vehicle.

When I called in that a branch fell
on my vehicle and damaged it.

I called the city call center at
414) 286-8282.

Also in denie letter states there
was 15.9 mph winds, and peak winds
of 47 mph.

Another lie!!

There was barely any wind that day!!
Just because they had winds by airport
or wherever they got this info from.

over a

you work for the city of milw.
 so your job might be on the line if
 you payout on any claims.

OR is it, Every denied claim
 you receive a bonus!!

This is not law, when it only
 protects the city, city workers, or the
 rich.

Laws are suppose to be for
 everyone!! Even cities, city workers and
 rich, poor people, racial (different faces)
 handicap, seniors.

You're discriminating against me
 because I can't afford a lawyer.

In The Bill of Rights and Declaration
 of Independants it states: Equality for
 all, Equal rights and so on.

If you refuse again, to do what's
 right, I'll put in a car insurance claim
 and you can go to court against their
 high price lawyers.

I still want this damn, dangerous tree
 removed!!

Be responsible and honor your responsibilities,
 we have too, being the city don't disqualify yous.

The Neighbor Jessica heard th Branch
Fall on my vehicle. Jessica came
over and told us. I was inside of
mothers residents cleaning running
vacuum cleaner. Wasn't even windy that day!

I went outside my sister already
pulled branch off my vehicle, and told
me about it. The branch was about
10 to 12ft long - about 5 feet wide.

I had to cut branches off because
branches took up curb grass & half the
side walk. Then I called for pick
up of branch and told them what happened.
Pick up of branch # 101002783943.

Then I called city about claim

I called requested the tree to be removed twice, All I got is the city telling the tree is healthy And trimmed the tree.

my question is too city Employee trimming tree is "if tree is so healthy why did you have to cut so much off of it. theirs not much tree left!! The other city worker told me that this tree is only one one AROUND here NICKNAMED the widow - maker. Now, Does this sound like a safe tree to have. NO!!! Why Endanger people safety.

3 yrs in a Row, I had Branch Fall on my vehicle with a little Damage, just scratches, Branches weren't that Big This side of the reasons requesting removal of tree. BRANCHES ARE ALWAYS FALLING!!

IF They would of removed tree, when I requested it, I would NOT have DAMAGE to my Vehicle!!

Someone always has to get hurt or killed before city does anything for residents.

The city is suppose listen and help out residents or do whats ASKED from requests.

Without us residents, the city wouldn't have JOBS.

Here's two Request ~~number~~ numbers ASKING FOR Removal of Tree.

old ① 101002640651

latest ② 101002783951

I wouldn't have Damage, if they would of removed tree!!

I'm ASKING FOR Damages Caused by the branch falling on my vehicle, vehicle was not Damage before this!!

I Provided ~~Estimates~~ Estimates on Damages caused by Branch.
