

HUMAN RESOURCES AGREEMENT

(Couture – Sewer Project)

**HUMAN RESOURCES AGREEMENT
(COUTURE - SEWER PROJECT)**

This Human Resources Agreement (“Agreement”) is entered into as of _____, 2020, by and between the City of Milwaukee (“CITY”); THE COUTURE LLC, a Wisconsin limited liability company (“COUTURE”); and THE COUTURE HOLDINGS GROUP INC., a Wisconsin business corporation (“CHG”) (COUTURE and CHG collectively, the “DEVELOPER”).

WHEREAS, the parties to this Agreement acknowledge and understand that this Agreement is executed in conjunction with the Amended and Restated Cooperation, Contribution and Redevelopment Agreement for the Couture Project for Tax Incremental District No. 82 (East Michigan Street) dated _____, 2020, (the “Development Agreement”) executed by the parties in connection with the implementation of a development project and specifically with regard to the Sewer Project (as defined below) located at 909 E. Michigan Street;

WHEREAS, DEVELOPER acknowledges that CITY has established policies regarding the utilization of SBEs (defined below), in Chapters 355 and 370 of the Milwaukee Code of Ordinances (“MCO”); and,

WHEREAS, DEVELOPER acknowledges that CITY has established policies regarding the utilization of unemployed and underemployed CITY residents in development project pursuant to sec. 355-7 of the MCO; and,

WHEREAS, DEVELOPER acknowledges that approval and execution of the Development Agreement was conditioned upon the DEVELOPER, its affiliates and their agents, agreeing to meet the requirements of this Agreement with respect to the development of the PROJECT, as defined below.

NOW, THEREFORE, the parties agree as follows:

I. DEFINITIONS

1. SBE is a business that has been certified by the City of Milwaukee Office of Small Business Development (“OSBD”) as a Small Business Enterprise based on the requirements of sec. 370-25 of the MCO.

2. FIRST-SOURCE EMPLOYMENT PROGRAM means an employment program operated by CITY or its designee which is to be utilized as contractors’ first source for recruiting applicants for both new and replacement employment.

3. JOINT VENTURE is an association of two or more persons or businesses to carry out a single business enterprise for profit for which purpose they combine their property, capital, efforts, skills and/or knowledge.

4. PROJECT, as used in this Agreement, means the Sewer Project, as more particularly described in Section 20.1 of the Development Agreement, to include the relocation of a sewer main on property located at 909 East Michigan Street, Milwaukee, Wisconsin.

5. PROJECT COSTS means all costs of the PROJECT, but less and excluding all costs associated with the purchase, lease or right to use any land; permit fees paid to CITY or any other governmental entity or quasi-governmental entity; utility company fees; financing and interest expenses; insurance premiums; other work not contracted through DEVELOPER and over which DEVELOPER does not have direction or control in the selection of contractors or material providers for the same; and other costs approved by DEVELOPER and the OSBD, with such approval not being unreasonably withheld. DEVELOPER or its representatives and the OSBD shall meet and confer to determine the eligible PROJECT COSTS for such phase or portion of the PROJECT.

6. RPP means CITY's Resident Preference Program as described in sec. 355-7 of the MCO.

II. SMALL BUSINESS ENTERPRISE PROGRAM

In accordance with sec. 355-13-4 of the MCO, DEVELOPER shall, in developing and constructing the PROJECT, utilize SBEs for no less than 25% of the total PROJECT construction costs including the amounts expended for the purchase of non-professional services and supplies and 18% of the amounts expended for the purchase of professional services for the PROJECT deemed eligible pursuant to SBE guidelines, as summarized in **Exhibit A "Categories of Work."** Prior to the commencement of the PROJECT, DEVELOPER or its representatives and the OSBD shall meet and confer to determine the eligible PROJECT COSTS subject to the SBE requirements.

A. DEVELOPER from and after the date of this Agreement and in conjunction with the implementation of the PROJECT, shall undertake the following activities:

1. Advertise in general circulation and trade association media, as well as in community newspapers regarding contracting and subcontracting opportunities. Advertising in the Daily Reporter and two other publications shall be the minimum acceptable level of performance. Complete **Exhibit B "SBE Marketing Plan – Publications/Advertising Contacts"** and submit it to the OSBD. Advertisements shall be submitted to OSBD for review prior to publication.

2. Provide interested SBEs and the agencies listed in **Exhibit C "SBE Marketing Plan – Community Agency Contacts"** with adequate information about the PROJECT plans, specifications, and contract/subcontract requirements at least two weeks prior to the date the contract bidding process commences. DEVELOPER shall document Community Agency Contacts by completing the Contact Sheet attached as **Exhibit C1 "SBE Contact Sheet"** and submitting it to the OSBD prior to commencement of the bidding process.

3. Complete and submit **Exhibit D "Form A – Contractor Compliance Plan"** to the OSBD upon execution of the prime contractor's contract, if any, or upon commencement of construction.

4. Conduct pre-bid or selection conferences and a walk-through at least two weeks in advance of the date bids are due.

5. Provide written notice of the PROJECT to all pertinent construction trade and professional service SBEs listed in the current City of Milwaukee Directory soliciting their services in sufficient time (at least two weeks) to allow those businesses to participate effectively in the contract bidding or selection process. To identify SBEs for the PROJECT, utilize the current *Official City of Milwaukee SBE Directory* published by the OSBD. The directory can be accessed on-line at:

<https://milwaukee.diversitycompliance.com/FrontEnd/VendorSearchPublic.asp?TN=milwaukee&XID=2276>

6. Follow-up with SBEs who show an interest in the PROJECT during the initial solicitation process and document contact with SBE firms using **Exhibit E “SBE Solicitation Form.”**

7. Select trade and professional service areas for SBE awards wherein the greatest number of SBEs exist to perform the work, thereby increasing the likelihood of contracts or subcontracts being awarded to SBEs. Where appropriate, split contracts or subcontracts into smaller, economically feasible units to facilitate SBE participation.

8. Negotiate in good faith with interested SBEs, not reject SBE bids or proposals as unqualified or too high without sound reasons based on a thorough review of the bid or proposal submitted and maintain documentation to support the rejection of any SBE bid or proposal. Bids that are not cost effective and/or are not consistent with the PROJECT schedule will be considered “rejectable.” Rejected bids or proposals shall be documented on **Exhibit F “SBE Rejection of Bid or Proposal Form.”**

9. Utilize the services available from public or private agencies and other organizations for identifying SBEs available to perform the work.

10. Include in the PROJECT bid, requests for proposals or selection documents and advertisements an explanation of PROJECT requirements for SBE participation to prospective contractors and subcontractors.

11. As necessary and whenever possible, facilitate the following:

(a) Joint ventures, limited partnerships or other business relationships intended to increase SBE areas of expertise, bonding capacity, credit limits, etc.

(b) Training relationships

(c) Mentor/protégé agreements

B. If the DEVELOPER meets or exceeds the 25% requirement for SBE participation for the construction, including supplies and non-professional services, for the entire PROJECT and the 18% requirement for SBE participation for the purchase of professional services for the entire PROJECT, whether commenced before or after the date hereof, it shall be deemed that DEVELOPER has achieved or exceeded CITY's SBE requirement with respect to that aspect of the PROJECT, for the purposes of fulfilling the terms of this Agreement.

C. Contract or subcontract amounts awarded to SBE suppliers, that do not manufacture products they supply, may only be counted for up to one-fifth of the entire SBE participation requirement for construction supplies described in subsection B, above.

III. RESIDENT PREFERENCE PROGRAM

A. DEVELOPER shall, in developing and constructing the PROJECT, utilize unemployed or underemployed residents, as defined in sec. 355-1-3 of the MCO, for no less than 40% of the total "worker hours" expended on "Construction," as those terms are defined in sec. 309.41 of the MCO,¹ included in PROJECT COSTS but less and excluding all non-Construction PROJECT COSTS.

1. In accordance with sec. 355-7-2-a of the MCO, DEVELOPER shall provide to the OSBD a city resident utilization plan and gap analysis detailing how the 40% resident utilization requirement will be achieved.

2. In accordance with sec. 355-7-2-a-1 of the MCO, at least one-quarter of the 40% resident utilization requirement shall be performed by unemployed or underemployed residents who maintain their permanent residence in zip codes established as high-poverty. Every worker hour exceeding this requirement shall count for 1.5 hours toward the overall 40% resident utilization requirement for the PROJECT.

3. In accordance with sec. 355-7-2-a of the MCO, up to one-third of the 40% resident utilization requirement may be achieved by documenting the use of unemployed and underemployed residents on projects undertaken by the DEVELOPER where such compliance is not required or by hiring unemployed or underemployed residents on a full-time permanent basis for non-construction job categories connected to the PROJECT. Such adjustments must be proposed in an affidavit on a form provided by the OSBD setting forth the facts upon which the request for adjustment is based.

4. In accordance with sec. 355-7-2-a-2 of the MCO, if DEVELOPER cannot meet the 40% resident utilization requirement, the appropriate level of participation may, at the discretion of the OSBD, be met by utilizing unemployed or underemployed residents to work on concurrent projects in any Wisconsin county, provided those residents began their employment on projects in the City of Milwaukee.

B. DEVELOPER from and after the date of this Agreement and in conjunction with the PROJECT, shall undertake the following activities:

¹ The definition of "Construction" shall mean "Construction" as defined in sec. 309.41 of the MCO, but as modified to reflect the private nature of the PROJECT.

1. Listing and causing contractors and sub-contractors to list open positions with any first source hiring agency specified by the OSBD.
2. Disseminating information provided by the OSBD to all contractors and sub-contractors on how to recruit unemployed and underemployed residents.
3. Listing and causing contractors and sub-contractors to list job openings with Wisconsin Job Service, W-2 agencies and other agencies as specified by the OSBD.
4. Working in cooperation with CITY, identify and implement any other activities and steps to maximize utilization of unemployed and underemployed residents on the PROJECT.
5. Disseminating the Employee Affidavit form, attached as **Exhibit G**, to all contractors and sub-contractors for their use in documenting RPP compliance.
6. Causing contractors and sub-contractors to participate in training on the CITY's LCP Tracker Labor Compliance Software.
7. Throughout the construction of the PROJECT, causing contractors and sub-contractors to provide timely payroll information, on at least a monthly basis, via LCP Tracker, including data on the race, gender, zip code, trade and hourly wage of unemployed and underemployed residents utilized in the PROJECT.

C. Prior to the commencement of the PROJECT, DEVELOPER or its representatives and the OSBD shall meet and confer to determine the eligible PROJECT COSTS, which are Construction costs subject to the mandatory RPP requirement.

D. DEVELOPER shall file the reports attached as **Exhibit H "Construction RPP Hours Calculation"** to evidence compliance with RPP requirements with the OSBD. All RPP reports shall be accompanied by supporting Employee Affidavits, in the form attached as **Exhibit G**.

E. Apprenticeship and On-The-Job Training Requirements. In accordance with sec. 355-9-1 of the MCO, DEVELOPER shall require its contractors and subcontractors on the PROJECT to employ apprentices and on-the-job trainees in the performance of all construction contracts and subcontracts for the PROJECT in accordance with the maximum ratio of apprentices to journeymen established by the Wisconsin Department of Workforce Development and in accordance with the following requirements:

1. One-quarter of the apprentices and on-the-job trainees required for the PROJECT as measured in worker hours, shall be unemployed or underemployed residents of the CITY. For every worker hour exceeding the requirements of this subsection, 1.5 hours shall be credited toward the 40% resident utilization requirement for the PROJECT.

2. Of the apprentice and on-the-job trainee worker hours required for the PROJECT under this section, at least 40% shall be attributable to unemployed or underemployed residents residing in zip codes established as high-poverty pursuant to sec. 355-9-1-a-2 of the MCO.

The requirements of this Section E are subject to sec. 355-9-1-b of the MCO. In the event that the OSBD finds that the apprenticeship or on-the-job training are not appropriate for the PROJECT, the requirements of this section E may be waived or adjusted administratively by the OSBD without the need for an amendment to this Agreement.

IV. SBE AND RPP REPORTING

DEVELOPER agrees to report to the OSBD, CITY's Common Council and the Zoning, Neighborhoods and Development Committee of the CITY's Common Council on DEVELOPER's utilization of SBEs and unemployed or underemployed residents in its contracting activities for the PROJECT, pursuant to Chapters 355 and 370 of the MCO and in accordance with the requirements of this Agreement. In order to monitor the PROJECT's SBE and RPP worker participation, CITY requires, and DEVELOPER agrees to take the following steps:

- A. Provide a list of all categories of work for each phase or portion of the PROJECT, with budget allowances, for which bids will be solicited and highlight those categories, based upon DEVELOPER's knowledge and experience, which are conducive to SBE participation.
- B. Provide the OSBD with documentation supporting efforts extended to solicit bids from SBEs. Upon request, DEVELOPER shall make information related to SBE bids available to the OSBD.
- C. Submit an SBE Monthly Report to the OSBD on or before the 20th of each month, or a quarterly report with the approval of the OSBD, on the form attached as **Exhibit I "Form D – SBE Monthly Report."**
- D. Submit an SBE/RPP Report to CITY's Common Council on a quarterly basis regarding achievement of SBE and RPP standards for the duration of construction of the PROJECT. The forms attached as **Exhibit H** and **Exhibit I** shall also be used for said quarterly reports. DEVELOPER shall include with these forms a status report on RPP participation for the intermediate phases of the PROJECT already completed and compliance with the PROJECT benchmarks established as required by Section XI.B., below.
- E. Upon request from the OSBD, make a quarterly presentation to the Zoning, Neighborhoods and Development Committee of the CITY's Common Council regarding achievement of SBE and RPP standards for the duration of construction of the PROJECT. Said presentation shall be coordinated through the OSBD.
- F. Complete and submit a final **Exhibit I** and **Exhibit J "SBE Subcontractor Payment Form"** to the OSBD upon completion of all construction of the PROJECT.

V. LABOR STANDARDS.

DEVELOPER shall comply with all applicable state and municipal labor standards provisions on the PROJECT, including the payment of living wages as required by Sec. 355-13-3 of the MCO. DEVELOPER shall provide and cause its contractors and subcontractors to provide the OSBD any necessary documentation relative to compliance with applicable labor standards provisions on forms specified by the OSBD.

VI. CITY ADMINISTRATION.

The OSBD shall have primary responsibility for the administration of this Agreement as well as primary monitoring and enforcement authority for the programs and activities encompassed by this Agreement. In exercising its responsibilities under the Agreement, the OSBD shall use good faith and act in a reasonable manner. Notwithstanding the foregoing, the OSBD shall make all information and data collected pursuant to this Agreement available to CITY's Department of City Development and Comptroller in order to allow fulfillment of their respective responsibilities with respect to the programs and activities encompassed by this Agreement. CITY's Department of City Development and Comptroller shall cooperate with and assist the OSBD in the administration of this Agreement.

VII. DEVELOPER ADMINISTRATION.

DEVELOPER may retain a person or firm reasonably acceptable to the OSBD to act as DEVELOPER's consultant and to assist in record keeping, collection of information and the filing of all reports necessary to demonstrate compliance with the requirements of this Agreement. DEVELOPER shall also comply with the reporting requirements set forth in Section IV of this Agreement.

VIII. AUDIT RIGHTS.

CITY shall have the right to conduct audits to confirm DEVELOPER's compliance with this Agreement. DEVELOPER shall keep or cause others under its control, including its contractors and subcontractors to keep accurate, full and complete books and accounts with respect to costs of developing, constructing, and completing the PROJECT, including personnel records, and carrying out the duties and obligations of DEVELOPER hereunder. All the books and accounts required to be kept hereunder shall be maintained in accordance with generally accepted accounting principles consistently applied, and shall be kept for a period of seven years. Any documents required to be retained under this Section shall be made available upon request of CITY's Comptroller for the purpose of conducting an audit permitted by this Section.

IX. PUBLIC RECORDS.

Records shall be maintained in accordance with requirements prescribed by the CITY with respect to all matters covered by this Agreement. Both parties understand that the CITY is bound by Wisconsin Public Records Law, and as such, all of the terms of this Agreement are subject to and conditioned on the provisions of Wis. Stat. Section 19.21, et seq. DEVELOPER acknowledges that it is obligated to assist the CITY in retaining and producing records that are

subject to Wisconsin Public Records Law. Except as otherwise authorized, these records shall be maintained for a period of seven years from the date of this Agreement.

X. NOTICES.

All notices under this Agreement shall be made in writing and deemed served upon depositing the same in the United States Postal Service as “Certified Mail, Return Receipt Requested,” addressed as follows:

XI. ENFORCEMENT.

In order to assist OSBD in monitoring and enforcing the RPP requirements in this Agreement (as further defined in secs. 355-7 to 377-9 of the MCO), DEVELOPER shall meet with OSBD prior to commencement of construction of the PROJECT to develop a plan, acceptable to OSBD which acceptance shall not be unreasonably withheld or delayed, to meet the RPP requirements of this Agreement. Such plan shall include the following:

A. A schedule of intermediate phases of the Project to be used for reporting on compliance with the RPP provisions of this Agreement;

B. Benchmarks for the actual participation by city residents in compliance with the RPP requirements in this Agreement following the completion of each intermediate phase of the Project, including any credit for worker hours achieved on other projects under sec. 355-7-2-a of the MCO; and

C. A formula setting forth the amount of funds to be withheld from DEVELOPER if the actual participation by city residents is less than the requirements of this Agreement. No withholding of funds shall be required if the total participation by city residents at the completion of the PROJECT exceeds the requirements of this Agreement.

No funding required under the Development Agreement shall be provided by CITY to DEVELOPER prior to OSBD's acceptance of DEVELOPER's plan as required in this Section. Because the PROJECT is part of a larger, overall development project, as described in the Development Agreement, that is subject to that certain "Human Resources Agreement (Couture Project) dated April 28, 2017, (the "Original HR Agreement"), the requirements contained in the Original HR Agreement and this Agreement can be considered together as different phases of the same project and their overall SBE and RPP requirements as combined total requirements. In the reasonable discretion of OSBD, when preparing the plan required by subsections A through C above, the PROJECT under this Agreement may be considered to be an intermediate phase of the project described in the Original HR Agreement.

XII. SANCTIONS.

In the event that DEVELOPER is not in compliance with the requirements of this Agreement or if any document submitted to CITY by DEVELOPER or a contractor or subcontractor of DEVELOPER contains false, misleading or fraudulent information, the OSBD may seek prosecution under sec. 355-19 of the MCO or the imposition of any of the following sanctions:

- A. Imposition of a requirement that remedial efforts be undertaken by DEVELOPER for the remaining portion of the PROJECT where initial reports demonstrate non-compliance with the RPP hours required for the PROJECT.
- B. Specific performance or specified remedies under this Agreement.
- C. Remedies available under the Development Agreement for such non-compliance.
- D. Withholding of payments due to DEVELOPER under the Development Agreement or any related documents or reimbursement by DEVELOPER to CITY of any payments already made to DEVELOPER under the Development Agreement.
- E. Termination, suspension or cancellation of the Development Agreement or any contract or agreement related to the PROJECT in whole or in part.
- F. After a due process hearing, denial of DEVELOPER's right to enter into agreements with the CITY for 2 years.
