Regarding: Your Private Waste Collector Application as agent for "Eagle Disposal, Inc" for "Eagle Disposal" at 21107 Omega Cir.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Jason, we continue to receive complaints regarding Eagle Disposal. I understand they have not yet been licensed.

I want to document for the record several complaints including: Littering, noise violations due to early morning pick-ups in violation of our noise ordinance and operating w/o a license.

Please note these as objections to the license.

Let me know if you need additional documentation.

Subject: 7157 thru 7189 W Appleton Ave, and Eagle Disposal

Good afternoon Ron,

Not sure if you can help with this or not. A constituent called about Eagle Disposal, they collect garbage at some apartments on 7100 with Appleton Ave. When they dump the garbage in the truck it blows a lot of garbage into the residents property on the other side of the alley. Can Eagle Disposal be fined for littering?

Good afternoon Ron,

Not sure if you can help with this or not. A constituent called about Eagle Disposal, they collect garbage at some apartments on 7100 with Appleton Ave. When they dump the garbage in the truck it blows a lot of garbage into the residents property on the other side of the alley. Can Eagle Disposal be fined for littering?
