CITY OF MILWAUKEE

CITY CLERK'S OFFICE

Dear Clerk:

Please accept this letter as Formal Notice pursuant to Wisconsin Statute 893 that on September 7, 2014, at approximately 7:00 p.m., our client, Gloria McGinnis, was walking from the house at 4353 N. 53rd Street, to the street, and tripped and fell on the walk between the street and the City sidewalk which runs perpendicular to the street.

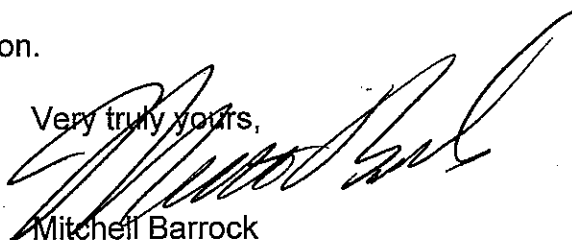

Based on our investigation, the walk in question was heaved up approximately three inches, which appears to have been caused by the roots of the adjoining tree. This is a condition which has clearly existed for many months, if not years, and represents a clear and present danger which the City knows, or should have known about. As a result of this heaving, our client tripped and fell and has sustained severe bruising on her body and face, and injury to her back, which appears to have caused a condition which will necessitate surgery.

Based upon her on-going complaints of pain and likelihood of surgery, please accept this letter as a formal demand for \$500,000.00, including all medical bills and costs, against the City of Milwaukee for our client's injuries arising out of the subject matter slip and fall.

I ask that you please contact me regarding this matter, so that we may discuss the same.

Thank you for your time and cooperation.

Very truly yours,

Mitchell Barrock
