To the Honorable, the Common Council

Dear Honorable Members:

The attached resolution authorizes the Department of Public Works, Infrastructure Services Division to accept and fund an Urban Nonpoint Source and Storm Water Management Program Planning Grant from the Wisconsin Department of Natural Resources (WDNR). Funding under this grant will enable the City to develop and implement public information and education projects related to storm water management. These projects are expected to improve local surface water quality and address conditions of the City's Wisconsin Pollutant Discharge Elimination System (WPDES) municipal storm water permit.

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, PE  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
