To the Public Works Committee

Subject: Common Council Resolution File Number 150527

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 150527, being a resolution to grant a special privilege to Mueller Communications Incorporated to install and maintain a fence in the public right-of-way for the premises 1749 North Prospect Avenue.

The applicant is requesting permission to install and maintain a decorative metal line fence in the south, 15-foot wide sidewalk area of East Royall Place in order to provide a barrier between the paved public sidewalk and an adjacent parking lot. Said fence, which is located behind the paved public sidewalk, runs approximately 2 feet north of and parallel to the southline of East Royall Place. The fence commences at a point approximately 114 feet west of the westline of North Prospect Avenue and extends east 35 feet 5 inches.

We are not aware that the presence of said fence will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said fence to occupy the public right-of-way.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Ghassan Korban, P.E.
Commissioner of Public Works

Tom Mishefske
Commissioner
Department of Neighborhood Services
