Subject: Anti Goll Mansion Development
Date: Friday, September 15, 2017 4:41:15 PM

Milwaukee Common Council,

As a resident of the Lower East Side of Milwaukee, I strongly object to the idea of development of the Goll Mansion site, particularly by such a large project as is currently proposed. Traffic is already congested in the area and parking is very limited. It would put a further strain on infrastructure, local public transit and the lakefront park space.

Thank you for considering the concerns of current residents.
