Mr. Owczarski and Ms. Elmer,

In response to your letter dated August 18, 2017 per resolution relating to a Certificate of Appropriateness for the installation of vinyl replacement windows at 4476-4482 N. 25th Street in the Garden Homes Historic District for William C. Smith,

let it be known this may be a moot issue as it appears Mr. Smith already installed the vinyl replacement windows. My conclusion rests upon my observation that windows in that 2-family structure had product labels affixed to each window, indicating to me that the windows were so recently installed that Mr. Smith had yet taken the time to remove the product labels.

If that be the outcome, I am not in objection as I do not wish Mr. Smith to incur an economic burden to remove those windows.

If that is not the outcome, which is to say that Mr. Smith has not yet installed the vinyl replacement windows, I vote that Mr. Smith be required to have his windows conform to the historicity requirements designated for windows in the Garden Homes Historic District.
