On Saturday February 23, 2019 at about 11:45am I hit a massive pothole on North 107th just before Bradley Road (Just before the entrance to Sunset Ridge Apartments). This caused me to bust two tires on my vehicle which I had to immediately replace in the amount of \$552.26. I am seeking reimbursement from the city for these damages for the total amount of \$552.26 as this was a heavily impactful amount. I was unable to see this hole because it was filled with water as it had been raining that day even though I was not traveling above the speed limit. I have noticed that the city must be aware of this pothole as it is now marked with cones and reflective boards. I appreciate you taking the time to review my claim, Thank You so much.

Thank You,
