**Subject:** I support the Climate and Equity Plan

Hello Mayor Johnson and Council,

I live in Wauwatosa, but as a neighbor to Milwaukee I want to voice my support for the Climate and Equity Plan, and for its inclusion in the City's Comprehensive Plan. The Climate/Equity Plan went through a long and careful development with a lot of community input. The "10 Big Ideas" are terrific and bring out the intersection of jobs, community health and resilience, and sustainability. I hope the Plan will be officially enacted and then become a guiding light for Milwaukee and a model for the other communities in Milwaukee County.

Thank you!
