Professional Summary

I have proven success in fostering strong partnerships and driving impactful initiatives. I am skilled in empowering residents and neighborhoods to stabilize their community.

I have been passionate about creating inclusive communities and enhancing social well-being.

I understand the importance of returning phone call and emails. My follow-up to resident's needs is exceptional.

Work History

04/2003 to 10/2023 **Community Developer**

Havenwoods Neighborhood Partnership – 6161 N. 64th St.

I successfully worked with residents to abate any issues that were affecting their quality of life. I was able to do that by relying on the relationships I had developed with the Department of Neighborhood Services, Department of Sanitation, Forestry, Milwaukee Police Department, City Attorney, District Attorney, Probation/Parole, City Hall etc.

I started over 100 Block Watches in Police District Four, Five and Seven and worked with the Block Watch Captains directly on a weekly basis. I attended many of their meetings with the residents.

I would coordinate and set up guest speakers for the various Block Watch meetings. I would follow-up on all concerns that were brought up at the meetings.

I organized Neighborhood Walks that successfully helped residents build relationships with City Departments, MPD, their Alderperson and abate concerns in their community.

I worked with a landlord compact group that met monthly and brought in guest speakers to address their needs and assist in being better landlords in our neighborhoods.
