To the Public Works Committee

Subject: Common Council Resolution File Number 051523

Dear Honorable Members:

Returned herewith is Common Council Resolution File 051523, being a petition from Onyx, LLC requesting a special privilege to allow a covered walk in the public right-of-way abutting the premises at 3120 West Villard Avenue.

The applicant is requesting permission to construct and maintain a covered walk, projecting 9 feet 6 inches into the north, 11-foot wide sidewalk area of West Villard Avenue. Said covered walk is centered approximately 152 feet west of the westline of North 31<sup>st</sup> Street. In order to comply with the requirements of the policies set forth in Common Council Resolution File Number 62-1211-a adopted July 24, 1962, the applicant must obtain and maintain a "Loading Zone" or "No Parking" status adjacent to the covered walk for as long as the covered walk is in the public right-of-way.

We are not aware that the presence of said covered walk will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said covered walk to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
