Re: Communication from CHARLES WEATHERSBY, JR.
C.I. File No. 1048-2025-685

Dear Council Members:

Enclosed please find a proposed resolution. We ask that it be introduced and referred to the Committee on Judiciary & Legislation, with the following recommendation.

Mr. Weathersby alleges that the City failed to maintain and/or block the roads while conducting repairs to a water pipe, after which he subsequently drove into a large sinkhole at the intersection of N. Weil Street and E. Wright Street. Mr. Weathersby submitted a damage claim for \$8,324.29, for damages regarding his 2005 GMC Yukon.

We have completed our investigation into this matter with Milwaukee Water Works (MWW). Our investigation determined that on December 23, 2024, MWW responded to a leak in the street in the 2500 block of N. Weil Street. During the course of repair work, the claimant went around a MWW Fleet vehicle, and subsequently drove into an unsecured sinkhole.

On May 12, 2025, Custard Appraisers completed an inspection of the vehicle and the estimated cost of repairs is \$6,818.68, plus tow. It is our view that the City is liable for damages and we recommend the claim be approved for \$7,143.68.

Very truly yours,

EVAN C. GOYKE
