Business Name: Tacos Almita

Date: I've noticed this for several months every day and early morning

Description:

I see them arrive and clean the truck there bring food out of their house into the Food Truck. I never see the truck go nowhere. It leaves from there till I guess their service of work. I thought the food trucks are supposed to go to a base or to like a prep kitchen. I live right across the street in the building and I see them every day and hear them early morning when they arrive like at three 3:30 in the morning and I look out my window and I can see them taken out food, trays, and food and going into the house to me. I believe this is unsanitary. I hope that you guys do something about this because something has to be done the community needs to know what they're eating and where it's coming from and these people are cooking out of their home and this is not right. Also, the noise that they do when they clean it up in the morning is not right as well. I have a few pictures that I could show you that they how they take stuff out of the truck food and into the home a couple of times I have come home from work and I can't even get into my parking lot because there's a big truck outside of their house that delivers meat. It's like a butcher truck I also have a picture of that to show you that they drop it off right there at the home. I would've presented this sooner, at the beginning I thought I was seeing stuff and hearing stuff but then now it comes

more noticeable and this is why I need to say something.
gonna start speaking up as well once again.

I would say
that they start to do this in the morning sometimes 12 maybe one in the afternoon
sometimes also I've noticed that they do it around 2:30 to 4:00 PM or you can see
them preparing this stuff out of their home. Thank you.
