This report is written by Police Officer Kristyn Kukowski, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 05/03/2009 at 1:14 am, Milwaukee police were dispatched to Teutonia and Clark for a Reckless Auto complaint. Officers observed patrons who were exiting the tavern Club Passion yelling and walking in the middle of the roads causing traffic congestion and disturbing the neighborhood. Police also observed patrons who once inside their vehicles, would drive down the block, stop and purposely back up traffic. Fours squads were on scene and took about an hour to clear the area of patrons and traffic congestion. Police spoke to Douglas Gray who was the bar manager regarding the patrons and traffic. Gray stated he does have about 10 security guards who help control patron behavior both in and outside of the tavern. Gray further stated that he closes the club before regular closing tavern hours and that he did raise the age of his patrons allowed in to 25.
2. On 05/13/09 at 12:54 pm, Milwaukee police monitored Club Passion due to a high volume of patrons. Security was observed on scene and no incidents were observed.
3. On 05/30/09 at 11:50 pm, Milwaukee police observed large amount of cars parked in the area near Club Passion and a large amount of foot traffic in the immediate area of the club. Officers conducted a license premise check of Club Passion and observed the bar to have least 300 patrons inside. Upon checking the taverns license and occupancy, it was found that the bars capacity was 160 and a head count was performed with 388 patrons found inside the club, 228 over posted capacity. The bar manager, Doug Gray, was ordered into District 5 to meet with Captain Mitchell regarding this matter and the licensee Kanisha King was issued a citation for Posting Occupancy Capacity Required.

4. On 10/30/09 at 12:05 am, Milwaukee police were dispatched to 2579 N Teutonia Avenue for Large Fight/Shots Fired complaint. As officers arrived, they observed several patrons scattered outside the club as well as several autos leaving the area. Once inside the club, there was a strong odor of OC in the air with subjects coughing. Officers spoke to Douglas Gray, the licensee's husband, who stated a fight broke between two patrons with other patrons joining in the fight. Security attempted to intervene but the patrons began to fight with security. Gray stated no shots were fired. Gray further stated he didn't know who sprayed the OC and that maybe a female "snuck" it in. Attempts to speak with the bartenders were made but Gray stated that they had all left for the night. Officers also attempted to speak with the security guards but only one was left on scene. Officers spoke to Draylon Oliver who stated he was working at the entrance of the tavern and did not see what happened but did observe security guards pushing several patrons out the door. Oliver stated he know the house security to carry OC on their person and believed it was a female security guard name "Cory" who had used her OC. Police again spoke to Gray who stated he does not allow security to possess or use OC spray. Police eventually did speak with security guard Cacorey Edwards regarding this incident that confirmed a fight did occur in the tavern but denied using OC. Gray stated the tavern does not allow them to use or possess it. Police did observed security cameras but were told by Gray that the system does not work. The licensee was issued citations for Disorderly Premises and Responsible Person Upon Licensed Premise.

As to Kanisha King-Gray:

5. On 12/18/09 at 1:09 am, Milwaukee police were dispatched to N Teutonia and W Clarke to investigate a Shots Fired complaint that occurred outside of Club Passion. Upon arrival, officers observed an auto that had a bullet on the drivers' side front door. Officers spoke to Douglas Gray who stated he was the owner of Club Passions and that it was his auto that was damaged. Gray stated he did not witness this happen and that he would not be able to access video surveillance equipment at this time. Officers then spoke to security officer Terry Atwater who stated he was working inside the club during the incident and not witness anything. Officers spoke with a witness who stated he heard a few gunshots and then observed several females run from the area and into Club Passion. Police located eight 9 mm casings that were placed on inventory. Unsuccessful attempts were made to contact Kanisha King-Gray.

6. On 12/27/09 at 12:55 am, Milwaukee police monitor the closing of Club Passion due to the large crowds the club attracts. A check for capacity was conducted and the club was found to have 227 patrons with the capacity listed as 160. The club was over capacity by 67 patrons and this count did not include employees of the club. The capacity license was found to be behind the bar covered by two bottles of liquor. While the count was being conducted, officers observed two patrons holding one full sized bottle of Absolut Vodka and another holding a full size bottle of champagne or wine. The licensee Kanisha King-Gray was not on scene and attempts to contact her were unsuccessful. The number that was listed as well as King-Gray cell phone number on the MINT system were found to be disconnected. On 12/28/09 at 9:27 pm, officers returned to Club Passion and spoke with Douglas Gray regarding obtaining valid phone numbers to Kanisha. Gray advised police that he didn't have any updated/valid numbers to provide. An attempted to contact King-Gray at her residence (4422 N 85th Street) was also unsuccessful. On 01/01/10 at 10:05 pm, officers attempted to make contact once again with King-Gray at her residence and spoke to Douglas Gray's sister, Martha Walker, who stated she just moved into this residence and doesn't speak with Kanisha or have any information about her. King-Gray was cited for Over Capacity regarding the 12/27/09 incident. Police attempted to serve the citation to Gray but he refused to accept them telling officers to talk to her attorney. Police are unable to list the proper information for this citation and future citations since they are unable to locate and or obtain personal information on the licensee, King-Gray.

They got into the auto when they heard three gunshots and he realized he was shot. At 1:18, officers arrived on scene and found the tavern to be closed and locked up with no employees' on scene. Gray stated that the video surveillance was currently not operating and that he had no idea that the shooting occurred. Gray stated he closed the tavern approximately at 1:50 am to 2:00 am and that there were no incidents. Officers spoke to two witnesses who gave the same accounts of what happened regarding the shooting but refused to identify themselves because they feared retaliation from the bar owner. One witness stated these problems are not uncommon and that it's getting worse. This witness stated they no longer have issues sleeping because of being so used to gunshots coming from the area of the tavern at closing time. The witness further stated they have no faith in the alderman anymore because of monthly meetings with neighbors expressing their concern to the owner and nothing is ever done.

On 01/14/10 at 3:00 pm, Gray attended a meeting at District three regarding the operations of the tavern. Gray stated to police that at any time officers needed to view the taverns video surveillance, all they had to do was contact him and he would fully cooperate. At no time did Gray state that the video surveillance system had not been operational for the past month and a half. Police spoke with two witnesses who wished to remain anonymous.

8. On 03/09/10 at 1:42 am, Milwaukee police were dispatched to Mt Siani for a Shooting complaint. A check of the license found the tavern did not a tobacco license. Police also found the tavern to be charging a \$15 dollar cover charge with no sign posted at the entrance information such. When questioned by police, Gray stated he rented the bar out and that he has no control over what they charge. The patron who punched another subject was arrested and when questioned, stated the fight began in the club and moved outside when security removed him. This subject further stated that security used OC in attempts to break up the fight inside the club. The subject was cited for disorderly conduct. At 1:57 am, police observed traffic start to back up in the area surrounding the club. Two cars were observed driving on the grass of a vacant lot located at 2602 N Teutonia and then driving off the curb to get onto N Teutonia. Patrons of the club have been known to park their autos on this lot and have been cited in the past. When Club 30 closes for the night, the traffic issues that involve patrons of the club have been known to drive and park on the lot of Center Petro Mart (1341 W Center) and 15 autos were found to have parked at this lot in every direction on the lot. It had appeared to police that many of the subjects this night were not actual patrons of the bar. Police could hear people yelling and talking boisterously and using profane language as they walked to their autos. Police believed this could cause a disturbance due to the fact

that the club is in residential area. Two squads recorded the closing process of Club 30 and placed the copy on police inventory.

28. On 03/31/13 at 1:18 am, Milwaukee police were dispatched to 2579 N Teutonia for a Fight complaint. Police were on scene when they heard several gunshots being fired in the area. Police observed approximately 50 subjects in the intersection of Teutonia and Clarke Streets physically fighting and screaming. Due to the amount of subjects fighting and gunshots, all available squads from District Three responded to the location. Officers had to use their OC to several subjects who refused police orders to cease their actions. Police spoke with Douglas Gray who stated that the club had hosted a get together for a family who lost a loved one. An unwanted subject attempted to enter the club to join the family, but was not allowed in. Shortly after, two women from the get together exited the club and according to Douglas Gray, the unwanted subject began to physically fight with these women, prompting several people from the club to exit and get involved. Shots were then fired. Police recovered casings at 2554 N Teutonia, where an auto was parked and in plain view, officers observed an empty magazine cartridge lying on the passenger side floor. Police located the owner of the auto and the woman admitted to firing shots from her gun because it was her cousin that was being beaten up. The woman stated that a fight occurred inside the bar because one of the owners of the club wanted to "talk" to her cousin, who had expressed that she was not interested in the subject. The woman further stated that her cousin then threw a drink in that subject's face, which prompted a fight between the two. Security broke up the fight and escorted her cousin out of the club, but refused to let out any of the other family members. The woman stated that when she and other members were finally let out, she saw her cousin being beaten up in the middle of the street by 10-15 men, one of them whom she identified as the owner. The woman stated she then went to her car and retrieved her gun and fired it multiply times into the air. Police arrested the suspect and charged her with ESBUDW. Police recovered a 9 mm handgun, along with two magazines, 12 cartridges and a total of 8 spent casings. Due to the totality of the circumstances, and the fact the incident stemmed from patrons at Club 30, Kanshia King-Gray was cited for disorderly premises. Several subjects were also cited for disorderly conduct.

Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
