#### Program Goals

The goal of this grant is to fund personnel for investigations which are focused on the illicit trafficking of opiates, heroin, or both. This will assist in furthering the investigations of drug traffickers in order to reduce the prevalence and demand for illegal narcotics in the City of Milwaukee.

#### Programmatic Summary

Through the Community Oriented Policing Services (COPS) Anti-Heroin Task Force Program Grant, the Wisconsin Department of Justice, Division of Criminal Investigation (DCI) will, as funds allow, reimburse each participating County/Task Force/Agency for overtime expenses associated with the development and investigation of narcotics cases that target the illicit trafficking of opiates and heroin.

The money is designated only for reimbursement of overtime expenses related to these kinds of narcotics investigations, and must be tracked separately from any existing federal or state grant funded overtime or additional local agency funding.

Overtime Reimbursement Forms must be submitted no later than 15 days after the end of the month during which the expense was incurred.

The total overtime payments for an individual officer for a 12-month period (the Federal fiscal year is October 1st - September 30th), including all Federal sources (i.e., OCDEF, HIDTA, Byrne JAG, CEASE, COPS Heroin Grant) are not to exceed 25% of the current Federal salary rate in effect at the time the overtime was performed. This amount is \$18,343.75 as of October 1, 2018.
