Subject: City Plan Commission file # 190782 Tiny Homes Zoning File

Dear Commissioner:

My name is Pamela A. Clark and I live in the Havenwoods Community. This October will mark 20 years living in the area. At the time we purchased our home (across former Bachner Farm) was a non-"residential zone. My husband and I decided this would be a great environment to raise our children, and anticipate enjoying our grandchildren here. I love the openness of this area and the wild life it serves.

I AM ADAMANTLY OPPOSED TO THE TINY HOMES PROJECT!
How will this affect the PROPERTY VALUE?

East side of Milwaukee would be more conducive for a Tiny Home Project, not a neighborhood full of children and declining home ownership.

If you would like more information from me regarding my **OPPOSITION TO TINY HOME PROJECT**, please contact me.

Respectfully;
Pamela Clark
