I am totally opposed to this going through on the northwest side of Milwaukee . 7930 w Clinton was meant for building businesses up not having scared businesses move out of neighborhood!!!! We are overloading with crime in the district 4 area. Please don't move this in to this area. If you lived here would you want it!!! We voted for you politicians to do what's BEST for our neighborhood not what's worst!!! Shame it would be cheaper to fix Lincoln building then clearing and the disposal and build again. Milw council is wasteful in my opinion. Thank you Mary Czarnecki
