To all,

Yes, other neighbors have shared their concerns regarding the bar. We have had our License Premise car stop in and check on things. It is important to contact non emergency regarding any issues with the bar so we have documentation for a nuisance order or for a license premise report that can be used during a renewal hearing. I understand your concern regarding wanting to be anonymous and your information goes no further than us but documentation through calls for service is a big factor in being able to change things. We will keep this location on our radar. Thanks.

Dear Mrs. Dimitrijevic.

I contact you with the hope that something could be done to keep my neighborhood safe. We bought our home in and we have seen how the neighborhood has changed from time to time but I have always felt safe.

Unfortunately, since this new bar "El Relajo" opened I have been feeling uneasy and worried. This bar has been a constant nuisance in the area. There are loud noises when the bar is opened and when it closes around 2am it feels like with all your respect all hell breaks loose. There are fights, racing cars and just last night gun shots were fired.

I contacted the police and the non emergency line to see if more patrols could come to the area. They said they will send some more. Although, I feel like that will happen I also know that is not the solution to this problem.

This bar came to disturb the peace and hard work we all put into keeping our neighborhood clean and safe.

REDACTED RECORD

I know there are hearings before the permits are given to these kinds of businesses. We were not happy with the idea of this opening but we feared for our safety if we speak up in a public place. We were hoping this would not be an issue but it is something that happens very often specially at Hispanic bars. I am [REDACTED] and mean no disrespect when I say this. It is just unfortunate that it is a common problem.

I don't know what could be done nor do I know what steps to take and come to you for support and assistance. I wish to keep my name anonymous to other people but don't have an issue with talking to you directly if you need more information.

I want to stay in my neighborhood. I want my kids to be safe. I want to be able to be [REDACTED] specially now that we are home much more.

The address of the bar is:
733 W Oklahoma Ave
Milwaukee WI 53215

Please feel free to contact me with questions or suggestions in how to hopefully deal with this issue.

Best regards.

Good morning, Captain:

Unfortunately issues are continuing at this location. The alderwoman asked me to email you to request enforcement. Our office will mail them a letter Tuesday as well that outlines the issues and our wishes for the owner to keep things quieter at close.

Please let us know if you have any advice for our office in dealing with this? At this moment I feel like we will be in this loop until their license is renewed. While Mr. Otto has been most consistently vocal, a Mr. Manriquez also calls with complaints and I would not be surprised to hear more neighbors speak up as we go along until the issue is resolved. Your officers have been very helpful in addressing so far, but the issues continue.

Jessica, please put this communication in the licensing file for El Relajo.

Again, 2 am bar closing at 8th and Oklahoma;
Bout 15 + cars parked on Oklahoma (and around corners) from what could be seen from my location;
"Loud, obnoxious" gathering of people (could easily be heard to 9th), screaming engines and drag racing
is what woke me, followed with the obnoxious crowd noise-
gathered outside, unloading from the bar; before, to and after 2 am.;
Screeching tires, screaming engines drag racing away...
Some came back for a second run,,,,GOT TO STOP!!!!
Called police to report and I was told to do by your assistant;
didn't recall her name/didn't have her email at this time,,,,called (2:06 am)

Hello Terri;

Writing this at 2:48 am (Oct 18th);
Didn't want to send it at this time (in case your cell is hooked up to email/forwarding);

Regarding the bar on 8th Oklahoma; exiting patrons were at it again;
congregating outside the bar/fairly loud,
but most disturbing again were revving/winding of engines, squealing tires/reckless driving, etc...

Called it in at roughly 2:30 am, but don't want to keep being the only one doing so....I know ive asked this before...but why can't the police hang out a Friday/Sat nite just before/at closing time??; Sat nite has usually been the worst of the 2 nites; Park hidden and observe??, ticket, etc?

Anyway...dealt with the noise/chaos initially; but several of the patrons vehicles kept doing the usual/up and down Oklahoma, several times-

so again, I called it in;

One vehicle, (think Chrysler 300/darker in color) squealed tires/racing engine...went blazing by-heading west along with another pick up racing alongside it??

One newer Blk pickup, repeatedly squealing tires; would speed up to 9th, U-turn on Oklahoma/squeal tires as doing so, Then race back down the almost 7th, U turn...come back again..... this went on for about 20 minutes;

Think that talk obviously didn't work....If they have hired bouncers?, why were people yet exiting the bar at 2:30 am?;Thought closing is 2pm?

Have police check those additional video cameras they supposedly installed for much of this!??

Also, was a pretty big group/crowd of vehicles again parked around the bar later in the nite (which has been common on Friday/Sat nites)...what about State Covid rules/restrictions? In addition to the 25% rule, sure don't see anyone wearing a mask entering or leaving...but im not watching all eve/nite....

As im finishing this email at 3:12 am and yet....cars with loud/blaring engines, speeding by...but can't say from the bar.... Maybe just the usual idiots this late at nite (or early morn you can say)...., at 3:18, finally has gotten quieter;

BTW, did hear 3 pops around 2:40 ish (2 and 1 after); could have been shots?, but may have been fireworks?... were closed at the time..

Good Morning Terri;

FYI....

At 1:48 am(wrote this), was awoken by a dramatic, long squeal of tires, racing engine(guessing a light truck compared to a car)
that went zooming west on Oklahoma ave; I assumed it came from the bar?...so awake/curious...I looked out towards the bar;
there was at least 10 cars yet parked in the immediate area (that "I could see" anyway)...around the corner on 8th, don't know??
wonder again about the covid regulations throughout the eve??

Although not dramatically disturbing from my house window(when closed), but when opened, I could hear Spanish music over a blk away;
At lil after 2pm, a couple other trucks were loud when departing(loud mufflers)...zooming by with winding engines, Also going west; Finally, at least one of the remaining cars(parked but with lights on), blasting thumping music till leaving around 2:10
I did not call police , as I can't imagine someone in the immediate area didn't complain ??

Also, have you heard anything about the 11 shots fired weeks ago??
Did they apprehend anyone?, again just wondering?!

Subject: 8th oklahoma ave bar, closing

Hello Terri;

Hope this email finds you doing well; Happy Holidays to you and yours;

The 8th and Oklahoma bar closing issues have been only periodic, here and there over past months, but the repeat bar closing issues seemingly have again gained traction in recent;

My concerns resurfaced;
As we see the future pandemic regulations probably lessening over time, I see this situation (at least 2 am bar closing) becoming a repeat/regular issue (again);

In the past two nights, Ive been awoken by their patrons leaving the area, unfortunately all it takes is one or two; the usual revving of engines, screeching of tires, pushing/winding of engines as they speed away(heading east, west on oklahoma); many of its patrons drive cars and trucks with "those very loud muffler systems" (or maybe no muffler?), and very loud engines(which can be clearly heard especially at 2 am)' both eves', noise had started around 1:50/1:55 am, till about 2:10 am..

this is all very frustrating, again;
in my opinion, not a place for a bar, not any longer; patrons don't care, they're already up; drunk ones care even less.... I realize the owners are not able to control their patrons once they leave the premises... and I feel for them, but?... so what to do about it?!, as I don't feel like be awoken (at closing) every night they are open...

Pls know that I will be against the issuance of any liquor license for that location in the future (even against any other establishment that would be open till early morning hours);
I don't believe the resuming issues (and probably ongoing, future issues) can be controlled, managed....especially/by simply posting a sign (if they even have done so?);

BTW, Tues eve, there we cars lined (pointing east) down Oklahoma, from 9th to lil past the bar/and seemingly around the corner on 8th;
obviously I was not inside the bar to experience, but where else would they have been at up to 2am?? May or may not have been packed in the bar??
Are not Covid restrictions still in play??

Regards,

We agree this is outrageous behavior and not acceptable. My phone was able to compress the video enough for email so I am attaching it here and getting it to the correct recipients without much more technological hassle on your part.

I am happy to see you got a quick and thorough police response, though I fear what could have happened if anyone behaved differently than they did. I drive by frequently since I live nearby and can confirm they have a well marked and attentive security guard outside but this is not having much of an impact on behavior when people leave, obviously.

The Alderwoman is considering all options on this venue at this time up to and including revocation. She is awaiting some legal clarification on steps the city is obligated to take and timeline. We will keep in contact and please feel free to reach out as well.

Thank you for your response, these has been an ongoing issue that requires immediate, prompt and effective action. These weekend someone was taken in an ambulance, someone else attacked a high speed car with a brick, and that car proceeded to crash into another car. All of these is in video, I sent it to the different Facebook pages of Marina, via personal blog, personal page, government page. If she is not able to receive it and review it, I would happily find another way, perhaps via her step son s I personally know him or long time

I am happy to sit down with officer Ward to show the evidence that I have, however the incident of the gun shots I am sure is documented, as there were many officers in the scene and the bullet caskets were properly Marked. They happen to miss one, which my retired mother found.

I look forward to know what steps are on the way to insure the well being of the people that you serve.

This is Alderwoman Dimitrijevic's Assistant Terri. Please be aware that we have had this bar declared a nuisance property by MPD and the city just over a week ago due to neighbor complaints. My understanding is that it is extremely important to the city attorney to call the police with the bars address every single time your parents and neighbors have a complaint. We do not want any harm to come from nearby residents and staff has been working hard on this.

I'm copying below Officer Ward's notice dated 9/11 that the bar was served. We have more/different power to enforce now so I will follow up with him Monday to determine whether these new complaints have been logged properly and how we should proceed.

I also encourage you to reach out to Officer Ward as he is very helpful on this and cares very much about ensuring our neighborhood is one we can all enjoy (I too live near the bar). I am not sure he is aware of the bullet casings, etc. and he will be able to get your video directly. You may also send via Facebook messenger on the Alderwoman's page. I have copied Officer Ward on this communication so you may connect. His phone number is well attended and in his signature below.

I am sorry you are going through this, and please know our office is assisting to the best of our ability within the law.

Terri,

We had our sit down with El Relajo's Owner and Management team on 9-10-2020. The Notice of Nuisance Premise letter was served to the owner. The owner and Management were very receptive to the meeting and the issues around the bar. They are aware of your Office's involvement and were advise you may be sending them a letter as well. The owner's daughter

and manger, Jennifer Vidrio stated she was trying to reach out Alderwoman Dimitrijevic with no response. I will send out another email with you attached so she has your information.

Please call us with any other questions you may have. They have ten days to submit an abatement plan.

Subject: El relajo Bar

Hello Marina,

This is your neighbor, we live , we enjoy seeing your son paint the sidewalks with his awesome imagination, I am sure you have seen us with our two little girls, and our dog Chompis.

I will get to the point, as your constituents, I would like to know exactly what is being done about the bar on 8th and Oklahoma, "El Relajo". My parents live , and is beyond my comprehension why this bar is still in operation, this is really upsetting to me, as it appears that anything that happens in the south side area of the city gets the back burner, this problem has been going on the whole summer, it has gone beyond a nuisance bar, there have been shots, fights, car crashes, it's just incredible. Please, if there's nothing you can do, I would really appreciate a specific contact to whom I can request to meet, or connect with, this situation will end up inevitable in someone's death, if it hasn't already as these people leave the bar beyond intoxicated. My family is scared, we are scared to go over to my parents house, they are all a hard working family that gets up goes tkk ok work, pays taxes lo contributes, only to wait for a possible tragedy every weekend. This is intolerable, and situations like this would not happen twice at a bay like puddlers, please help me understand this continuous demonstration of some lives being more important than others. I would be happy to meet with you or whomever in person

to show you the video that is unfortunately too long to attach here, however I leave you some captures of the photos as well as a bullet casket we found two weeks ago. Our children don't deserve this as much as your son doesn't, or the son of the chief of police.

Let me know what is my next step, I will save this as documentation, praying no loss of life happens, however the warnings are there and the media would need to know that this has been a tragedy in the making

INITIAL INVESTIGATION

Rodriguez, Edgar R 028806

07/14/2020

This Report is written by P.O. Matthew BOUZEK, assigned to District Six, Late Shift on Squad 6322.

On Monday, July 13th 2020, I was dispatched to the location of 733 W Oklahoma Ave (*El Relajo*), regarding a Battery complaint (Cad#201950189). It should be noted that I was in full duty uniform, equipped with an Axon Flex 2 Body Camera, and operating a marked MPD squad car. The location, *El Relajo LLC*, is a Class B Tavern, license #0206646 expiring 4-2-21 registered to *Jose S VIDRIO (w/m, 09-13-68)* who was not present at the bar.

Upon arrival, I spoke with the caller, *DIAZ-PINEDA, Hugo O (h/m, 01/14/1979)* who stated he was working behind the bar during this Battery incident. DIAZ-PINEDA stated he did not actually observe the alleged battery, but did observe the victim afterwards. DIAZ-PINEDA identified himself as the bar manager, and stated he made the call for police at the request of one of his patrons, who was still on scene inside the bar. DIAZ-PINEDA did advise me that the tavern does have interior cameras, and may have captured this incident. DIAZ-PINEDA advised me that he does not currently have access to these cameras, but would make a request to the owner to have a copy transferred to a compact disc for officers.

I spoke with *LOPEZ-RUANO, Edwin (h/m, 04/05/1981)* who stated he was dancing with other male patrons inside the tavern's dance floor until he was subsequently struck by a tan ceramic mug filled with an unknown alcoholic liquor. LOPEZ-RUANO stated he did not know the individual who threw the mug at him, and stated he may have a piece of the mug in his eye. LOPEZ-RUANO stated there was a man with a Hawaiian type shirt and a white hat who may have thrown the mug towards him, but is uncertain. LOPEZ-RUANO was provided with a Community Contact card (PF-6), and was advised to contact me with any pertinent information regarding this incident.

While investigating this incident at the tavern, I was made aware that another caller (or victim) of a battery made a call to police (Cad#201950210). This alleged caller was supposedly at the location of 3119 S 11th St, but was never located. I did speak with the EMT from Bell ambulance who was also dispatched to this area for a similar incoherent intoxicated caller stating he was battered. The subject was not located by police or by the ambulance employees, and did not receive an answer on multiple call back attempts. I did leave a detailed voice mail message on the unknown male's phone urging him to call District Six if there was an incident that he wished to report. It should be noted that although this call was combined with Cad ending in 0189 it was never determined to be one in the same.

This Report is written by P.O. Matthew BOUZEK, assigned to District Six, Late Shift on Squad 6322.

On Sunday, July 26th 2020, I was dispatched to the location of 733 W Oklahoma Ave (*El Relajo*), regarding a Battery Cutting complaint (Cad#202080200, 202080245, 202080153, 202080088). It should be noted that I was in full duty uniform, equipped with an Axon Flex 2 Body Camera, and operating a marked MPD squad car. The location, *El Relajo LLC*, is a Class B Tavern, license #0206646 expiring 4-2-21 registered to *Jose S VIDRIO (w/m, 09-13-68)* who was not present at the bar. PO Edgar RODRIGUEZ (Squad 6390) was also on scene with me. There was a total of six victim's whom all were injured by a knife wielding suspect.

Upon arrival, I spoke with the caller, *DIAZ-PINEDA, Hugo O (h/m, 01/14/1979)* who stated he was working behind the bar during this Battery incident. DIAZ-PINEDA stated he did not actually observe the alleged battery, but did observe the victims afterwards. DIAZ-PINEDA identified himself as the bar manager, and stated he made the call for police at the request of one of his patrons, and by security. DIAZ-PINEDA did advise me that the tavern does have interior and exterior cameras, but indicated that the password to access the playback option is lost. DIAZ-PINEDA advised me that he does not currently have access to these cameras, but would make a request to the owner to have a copy transferred to a compact disc for officers.

There was approximately 30+ people inside the tavern upon our initial arrival all of which claimed to have observed nothing. Officers on scene obtained the patrons information who were inside the tavern. DIAZ-PINEDA stated once the staff observed a hostile vibe from a few of the females they were asked to leave the tavern immediately. I spoke with the owner's daughter, *VIDRIO, Jennifer (07-02-1998)*. VIDRIO stated she did not observe any confrontations between the female patrons, but stated she was aware that a few Hispanic females were asked to leave the establishment.

On July 26th, 2020 at approximately 12:41 am Naydelih SANCHEZ and Sylvia SIXTOS were dancing at a bar called *El Relajo* located at 733 W Oklahoma. SANCHEZ and SIXTOS were attempting to go back to their seats when an unknown Hispanic female, approximately 5'5 200 lbs shouted to SIXTOS "what are you looking at" to which SIXTOS ignored the comment. The Hispanic female then got in SIXTOS face and said "who are you looking at" and started pulling SIXTOS by the hair. SIXTOS pushed the Hispanic female away while SANCHEZ was attempting to get between the two individuals. At the same time, 2 additional unknown females started to pull at SIXTOS hair. Security at the location separated the two parties and

removed the unknown females from the bar. SIXTOS and SANCHEZ were inside of the bar and saw 5 or more subjects banging on the bar window and shouting at them.

Security eventually made SIXTOS and SANCHEZ leave the bar where they stated they were confronted by 15-20 subjects both male and female. A large fight took place between SIXTOS and SANCHEZ's group and the 15-20 subjects outside. SANCHEZ stated she recognized two subjects involved with the fight by the names of Thalia and Paula, whom she went to school with. The two subjects are twins and SANCHEZ stated the twin with the wavy hair in a down style hair had a knife in her hand.

After the fight, SANCHEZ and SIXTOS were taken to St Francis Hospital by Ruvy SIXTOS.

There were 4 additional victims that went to St Luke's Hospital with varying injuries. David RODRIGUEZ sustained a laceration to his right side torso.

INITIAL INVESTIGATION

Yang, Joshua 019787

07/28/2020

This report is written by P.O. Joshua YANG, assigned to District Six, Late Power Shift.

On Saturday, July 25, 2020, I was assigned to Squad 6446 (Bicycle Patrol) with P.O. Dennis TOMASINO. P.O. TOMASINO and I were in full MPD uniforms, with badges and nameplates affixed to our outermost garments. P.O. TOMASINO and I were equipped with body worn cameras, which were activated and captured this incident.

At approximately 1:54 am, P.O. TOMASINO and I were dispatched to assist squads regarding a battery cutting complaint at 733 W. Oklahoma Ave. (El Relajo), located in the City and County of Milwaukee.

Upon arrival, P.O. TOMASINO and I assisted in scene security and attempted to locate any potential witnesses that may still be on scene at the location. The patrons of the bar were attempting to leave and the majority of subjects stated they were inside the bar at the time of the incident and did not hear or observe anything. All of the patrons were later allowed to leave the bar as the potential suspect at the time was not at the location.

I spoke with a subject who was later identified as **Jose S. VIDRIO (W/M, 9/13/68)** and he stated he was the owner of the bar. VIDRIO stated there were a couple of customers in the bar earlier that were being loud and went outside towards the front of the bar. VIDRIO stated someone called the police because the subjects were being loud and it sounded like they were going to start fighting. VIDRIO stated the police could have prevented the incident from happening if they came faster the first time. I advised VIDRIO of several complaints of the neighbors in the area that customers from the bar gather outside and argue with one another and are being disorderly. VIDRIO stated he has never had a problem with his regular customers and only has problems with new customers that he has never seen before. I advised VIDRIO that if he has two security personnels working like he had tonight, when customers are being loud outside of the bar, he has to have one of them go outside and have the customers quiet down. I advised VIDRIO that if the customers continue to be loud, an employee from the bar has to call the police and at the least document that they are trying to resolve the situation the best that they can. VIDRIO stated he understood and another employee stated he will start doing that more often.

I advised VIDRIO that an license premise report would be filed regarding.

End of report.

LICENSE PREMISE REPORT

Delaney, Benjamin T 027391

08/30/2020

This report is written by PO Benjamin DELANEY, District 6, assigned to Late Power shift as Squad 6440.

On Sunday, August 30th, 2020 at 12:25 a.m. we were dispatched to 733 W Oklahoma Av, El Relajo Bar, for a Battery call.

Upon arrival I spoke with Jennifer VIDRIO (w/f 07/02/98). VIDRIO is the daughter of the owner and manager of the El Relajo Bar. This battery involved a subject who had been kicked out of the bar, and as he was leaving got into an altercation with another subject who was outside the bar waiting in the backyard of the bar on the south side of the building. The subject who was kicked out of the bar was knocked unconscious by the second subject who was already outside.

VIDRIO was cooperative with police. She showed us security footage of the incident and is currently working with the primary officer to share the video. Indent report below.

This report is being written by PO Nash DATHE, assigned to District 6, Late Shift, off group 10.

On August 30th, 2020, Squad 6341 (Myself) was dispatched to 733 W Oklahoma av which is the location of the bar El Relajo for a report of a battery.

Upon arriving, I made contact with the caller Pacheco REYES (W/F, 02/22/1996) who stated her boyfriend Silvino MARTINEZ-VASQUEZ (08/21/1994) was drinking inside of the bar when he was escorted out by security. Once outside, VASQUEZ and REYES went to the back of the location in order to leave. Once in the back of the location, REYES observed VASQUEZ get into a verbal argument with a group of unknown males. REYES stated that the unknown males attempted to get into a fight with VASQUEZ, who then pushed two of the males away from him and then got struck by a male she recognized as a friend she had on facebook. The male who struck VASQUEZ has a facebook name of Christian GOMEZ-SANCHEZ. SANCHEZ struck VASQUEZ in the face with an open palm while an unknown male pushed VASQUEZ to the ground. REYES stated that SANCHEZ then kicked VASQUEZ in the face 2 times causing VASQUEZ to lose consciousness. REYES does not know any info on SANCHEZ other than his facebook page.

While I was interviewing REYES, VASQUEZ was being medically transported to St. Lukes hospital by Curtis Ambulance (Unknown #).

Squad 6440 made contact with security at El Relajo and got the footage of the incident. Several attempts to transfer the footage to officer email was attempted but failed. Further attempts will be made.

Footage of incident.

The footage of the incident revealed that VASQUEZ had come from the bar and took his shirt off. VASQUEZ then proceeded to approach a group of unknown males and could be seen waving his arms in an aggressive manor towards the group. The group of unknown males were not making any visible attempts to engage with VASQUEZ. VASQUEZ then went up to the male that REYES identified as SANCHEZ. VASQUEZ began aggressively walking up to SANCHEZ at which point SANCHEZ struck VASQUEZ in the face causing VASQUEZ to step back. VASQUEZ then charged SANCHEZ and attempted to throw a punch towards SANCHEZ. SANCHEZ and VASQUEZ ended up in a clinch with VASQUEZ falling to the ground. VASQUEZ was attempting to get up when SANCHEZ kicked VASQUEZ one time in the face. SANCHEZ and the group of unknown males were standing around for several minutes before leaving Southbound on S 8th st.

CST performed by Squad 6440, See Supplemental.

Interview of Victim performed by 6390 (PO RODRIGUEZ), see supplemental.

No B of I was located for SANCHEZ.

Follow up needed regarding footage and locating suspect.

Notice of Nuisance Premises

Ward, Michael S 024624

09/11/2020

This report is written by Police Officer Michael WARD, assigned to District 6, Early Power, Community Liaison and Prosecution Office.

On this day I was assigned to Squad 6264 with Police Office Fabian GARCIA.

On Thursday, September 10, 2020, at approximately 2:00 pm, we conducted a License Premise Check and issued a Notice of Nuisance Premise letter to the owners of 733 W. Oklahoma Ave. (El Relajo). Owner Jose S. VIDRIO, Manger Jennifer VIDRIO, and Manger Hugo O. DIAZ-PINEDA, were present during the scheduled check.

Jose VIDRIO received a Notice of Nuisance Premise Letter regarding two incidents, a Battery Cutting on 7-26-2020, Case 202080031 and a Battery, on 8-30-2020, Case 202430008, at the location.

Jose VIDRIO was advised of the process and was told to submit an abatement plan within the next ten days.

Jose VIDRIO was advised of his right to appeal the Notice of Nuisance letter.

The property is described as a Bar with a residential property (731 W. Oklahoma Ave.) located on the upper floor. The bar's main entrance is located on the north west side, and an exit door located in the rear (south) of the property. The upper unit has a main entry located on the north east side of the property, and secondary entrance located in the rear (south). The upper unit's rear hall/stairway has a common interior door with the bar. The bar has this door secured and upper unit has no access to the bar from this interior door.

The location has 8 exterior cameras and 8 interior cameras. The footage is saved for 60 days. The cameras are digital and in color. The management only has access to cameras.

Jose VIDRIO stated he recently added extra security for the weekends. Sunday thru Thursday they have one security guard posted at the front checking ID's. Friday, and Saturday they have three security guards. One posted at the front, one posted near the restrooms and one posted at the rear door. Jose VIDRIO stated they do not use the rear door as an entry point, but customers try to exit through that door from time to time. The rear door knob is manufactured to be in a constant locked position from the exterior access point.

Jose VIDRIO and his staff were very receptive to the meeting and stated they want to be a positive business in the community.

Jose VIDRIO was given our contact information regarding any questions they may have in the future regarding the processes.

INITIAL INVESTIGATION

Yang, Joshua 019787

09/13/2020

This report is written by P.O. Joshua YANG, assigned to District Six, Late Power Shift. On Friday, September 11, 2020, I was assigned to the License Premise Squad (Squad 6468) with P.O. Joel BUNKELMAN.

On Saturday, September 12, 2020 at approximately 1:13 am, P.O. BUNKELMAN and I were dispatched to a noise nuisance complaint at 733 W. Oklahoma Ave. (El Relajo bar, license# 208047), located in the City and County of Milwaukee.

Upon arrival, P.O. BUNKELMAN and I observed approximately ten subjects standing by the front door of the business. I observed that the subjects were talking but they were not being loud or boisterous. I asked the subjects why they were standing outside the bar at which time they advised me that the bar locked the doors on them and would not let them inside. I knocked on the front door of the business and was met by the manager who was later identified as **Hugo DIAZ-PINEDA (W/M, 1/14/79)**. DIAZ-PINEDA stated that the subjects standing outside were trying to get into the bar but because the bar has had issues in the past with their patrons, DIAZ-PINEDA stated they were trying to restrict who they allow inside the bar and limit the amount of patrons inside. DIAZ-PINEDA stated that he is aware that the location was labeled a nuisance property and they are working towards trying to comply and come up with a plan.

While speaking with DIAZ-PINEDA, it was hard to communicate because the music was playing so loud from inside the bar that I had to close the hallway door in order to hear him. I advised DIAZ-PINEDA that the music is too loud and he needs to turn it down so that the bar is not disturbing the residents who live in the area. DIAZ-PINEDA stated he understood and would turn down the music in the future.

I also spoke with the bartender who was later identified as **Jennifer VIDRIO (W/F, 7/2/98)**. VIDRIO stated she was aware that the location was labeled a nuisance property and stated they have come up with a plan. I also advised VIDRIO that the music was too loud and she stated she would keep the music

down.

I advised DIAZ-PINEDA that if they are to attempt and restrict the patrons that are allowed into the bar, they need to either make it known on social media or put up a sign on the front door to inform other people. I advised DIAZ-PINEDA not to lock the front door for safety reasons and if he wants to restrict the patrons allowed inside, he needs to have security guard on stand by at the front door. I advised DIAZ-PINEDA to display "no loitering" signs around the business. DIAZ-PINEDA stated he understood and would work on doing that as soon as possible.

DIAZ-PINEDA and VIDRIO were both cooperative during this investigation.

I attempted to callback both callers for the original noise nuisance complaint but did not receive an answer for neither one.

End of report.

09/19/2020

This report is written by P.O. Joshua YANG, assigned to District Six, Late Power Shift. On Friday, September 18, 2020, I was assigned to the License Premise Squad (Squad 6468) with P.O. Alan BEATTIE.

On Saturday, September 19, 2020 at approximately 1:01 am, P.O. BEATTIE and I were dispatched to a threat complaint at 733 W. Oklahoma Ave. (El Relajo bar, license# 208047), located in the City and County of Milwaukee.

Upon arrival, I spoke with the caller who was later identified as Jorge J. ECHEVARRIA (W/M, 5/20/95). I have had prior contacts with the business and was aware that the security guard and bar are limiting the number of patrons that are allowed inside. ECHEVARRIA stated an unknown male subject wanted to go inside the bar but did not have an invite so he wasn't allowed inside. ECHEVARRIA stated the subject got upset and motioned his hands into the shape of a gun and pointed it at ECHEVARRIA. ECHEVARRIA stated the subject stated he was going to come back with a gun. ECHEVARRIA stated he advised the subject to leave and to not come back. ECHEVARRIA described the subject as a Hispanic male, approximately 25 to 30 years old, approximately 5'10", medium build, tattoo on the neck and upper left arm and unknown clothing. ECHEVARRIA stated he observed the subject enter a newer model pickup truck (unknown make/model or plate number). ECHEVARRIA stated this is the second time the subject has attempted to enter the bar but was denied access. ECHEVARRIA stated the first time the subject wanted to get inside the bar, ECHEVARRIA advised the subject that he needed to check his ID at which time the subject showed his ID to ECHEVARRIA and ECHEVARRIA remembers his first name as possibly being Eric.

The manager, Hugo DIAZ (W/M, 1/14/79), showed me a possible Facebook profile of the subject who's profile name was "Erik Velasquez." DIAZ stated he was not outside at the time and did not observe the incident. ECHEVARRIA observed the Facebook profile and was unsure if that was the same subject. ECHEVARRIA stated the subject did not come in camera view and the subject's vehicle was parked down the block so it would most likely not have been captured by surveillance video.

ECHEVARRIA stated he did not fear for his safety during the encounter with the unknown subject making those threats and stated it was just part of his job.

I conducted a check with MPD database and did not find anyone with the name of "Erik Velasquez."

Both ECHEVARRIA and DIAZ were cooperative.

End of report.

INITIAL INVESTIGATION

Dathe, Nash H 029420

09/25/2020

This report is being written by PO Nash DATHE, assigned to District 6, Late Shift, off group 10.

On Friday, September 19, 2020, at approximately 2:30 am, I was dispatched to a report of shots fired coming from the area of S 8th st and Oklahoma av. Upon arriving on scene I recovered 11 casings in front of the address of 803 W Oklahoma av. During the investigation, contact was made with employee Jorge ECHEVARRIA (W/M, 05/20/1995) from El Relajo bar (License# 208047). ECHEVARRIA initially stated to PO HERRMANN that he did not witness the incident occur and that he was inside of the bar after the patrons had left.

Footage was recovered of the incident from El Relajo. The footage shows a group of 6 Hispanic males exiting the bar at 2:19 am and start to have a conversation in front of the location. The group begins to speak with each other as well as other individuals who are exiting the bar. Suspect 1, is a Hispanic male approximately 5'8, 200lbs, with short black hair, wearing a grey and white Sweatshirt with White washed blue jeans. Suspect 2, is a Hispanic male approximately 5'8 160lbs, with short black hair wearing a Black sweatshirt, and light blue jeans. Suspect 1 and 2 walk across the street to what appears to be a Black F-350 Pickup truck that was legally parked in front of 832 W Oklahoma Av. The two suspects, along with a 3rd subject, can be seen standing around the truck for several minutes. The suspects can also be seen going inside of the vehicle though not operating it. At 2:28 am, the suspects then run across the street and are standing in front of 803 W Oklahoma where they begin to meet up with the group they had exited the bar with. After standing around for a few seconds, the suspects can be seen walking back towards the truck while suspect 1 can be seen shooting into the air at 2:29 am with a 2 second pause followed by Suspect 2 who can be seen firing a different handgun into the air. During the incident, ECHEVARRIA can be seen outside of the bar and facing the direction of the suspects and waving his arms in what looks like an attempt to disperse the crowd and have everyone leave the area. ECHEVARRIA stated in his initial interview with PO HERRMANN that he did not witness or hear the incident as he was inside of the bar. In the follow up interview that I conducted, ECHEVARRIA stated he was outside but did not see any individual with a gun and heard only about 5 shots fired.

Copies of the footage were made and out on inventory as well as given out to various department members regarding.

Ward, Michael S 024624

10/09/2020

This report is written by Police Officer Michael WARD assigned to District 6, Early Power, and Community Liaison Office. On this day I was assigned to Squad 6264, with partner Police Officer Fabian GARCIA.

On Thursday, October 8, 2020, at 1:00 pm, we conducted a meeting with the Business Agent and Management of El Relajo (733 W. Oklahoma Ave) at District 6.

In attendance for the meeting was Captain Kristen Riestra, Sergeant Christopher MCBRIDE, Police Officer GARCIA, Assistant City Attorney Heather Hecimovich Hough, Jennifer VIDRIO (Owner), Hugo DIAZ, and myself.

Alderwomen Marina DIMITRIJEVIC and Assistant Terri WILLIAMS did not attend in person but attended VIA telephone.

This meeting was a Follow Up meeting regarding the September 10th, 2020 meeting in which the El Relajo was served a Notice of Nuisance Letter.

EI Relajo submitted an Abatement Plan within the ten day period. The Abatement Plan was accepted on September 16th by Captain Riestra.

This meeting was to discuss further issues with and around the location and further plans regarding the Abatement Plan.

On 9-26-2020, an altercation outside of the EI Relajo took place after bar close. The altercation resulted in a vehicle accident and one subject was taken in to custody for an OWI offense. The subject was a patron of the bar that night. It should be noted that security for EI Relajo was observed in surveillance video trying to intervene, and called 911 for police assistance.

This was a topic of the meeting regarding the possible overserving of customers.

Discussions regarding more training for bar staff to help recognize when a patron needs to be not served and putting a policy in place for the bar so it is recognized equally throughout the staff was discussed.

Captain Riestra suggested the bar research information regarding a Ride Share program to offer to patrons who may not be able to operate a vehicle.

Alderwoman DIMITRIJEVIC was concerned this topic was not being taken seriously by bar management during the meeting.

Assistant City Attorney Hecimovich Hough suggest looking into outside training for the bar. The Pivot Program, a business program workshop put on by the City of Milwaukee was discussed and suggested for the bar staff to attend.

Assistance City Attorney Hecimovich Hough also discussed the importance for Hugo DIAZ to apply for his Bar Manager License. DIAZ agreed and stated he is due to renew his Bartender License and will apply at that time.

VIDRIO added since the issue of the Nuisance letter, they have been implementing some of their plan.

VIDRO stated the have added No Trespassing and No Loitering Signs to the property. VIDRO stated by Oct. 31st they will have added an additional 2 security cameras to the property, one which will cover the interior side of the front entrance. This security camera was recommended during the September 10th meeting.

VIDRIO stated they have been turning the lights on and music off 30 minutes before bar close to help with the movement of patrons from the bar. VIDRIO stated she hopes this will help with not having all the patrons exiting at once.

VIDRIO has added extra security and went from 1 to 3 since September 10th. VIDRIO did state during the new Health Order they will reduce security from 3 to 2 until the order is lifted. The security is identifiable with vest, patches, and badges.

DIAZ discussed his reservation plan. DIAZ stated that for the time being he is only allowing patrons who have reservations to enter. DIAZ stated the security is given the list and was advised to keep a hard copy of the list moving forward.

We also discussed utilizing El Relajo's social media site to inform future patrons of the bar's policy regarding reservations. DIAZ was able to show us how he uses his social media sites to log reservations, but was advised the better practice was to use the bar site. DIAZ made mention on the bar's social media that he is working with MPD to create a safer environment.

Sergeant MCBRIDE suggested the bar get to know their neighbors and give the neighbors an opportunity to discuss their concerns with the bar. A suggestion of constructing a letter to give to the neighbors was discussed during the meeting.

We advised DIAZ and VIDRIO we will continue to work with them regarding the improvements to their business, but ultimately it is up to them to implement their plan and create a safer work environment for themselves and the community they are in.

INITIAL INVESTIGATION

Yang, Joshua 019787

10/20/2020

This report is written by P.O. Joshua YANG, assigned to District Six, Late Power Shift. On Monday, October 19, 2020, I was assigned to the License Premise Car (Squad 6468) with P.O. Joel BUNKELMAN. P.O. BUNKELMAN and I were operating a marked black and white Milwaukee Police Department squad car, equipped with red/blue emergency lights and audible siren. P.O. BUNKELMAN and I were in full MPD uniform, with badges and nameplates affixed to our outermost garments. P.O. BUNKELMAN and I were equipped with body worn cameras, which were activated and captured this incident.

At approximately 10:33 pm, P.O. BUNKELMAN and I conducted a tavern check at 733 W. Oklahoma Ave., located in the City and County of Milwaukee.

Upon arrival, I observed that there were no security guards by the front door and I observed that the streets were empty in front of the bar. I did not hear any loud music coming from the inside of the bar when I was standing outside. I walked inside and spoke with the manager who was later identified as **Hugo O. DIAZ-PINEDA (W/M, 1/14/79)**. DIAZ-PINEDA stated he is the bartender tonight and I explained to him the reason as to why we were stopping in tonight. I was aware that the location has an abatement plan set up due to the multiple complaints that have been received about the bar and the patrons. I advised DIAZ-PINEDA that another complaint we have been receiving is that when the patrons are leaving the bar and in their vehicles, they either play loud music from their cars or are revving their engines, causing a disturbance to the neighborhood. DIAZ-PINEDA stated that he understands the complaint and stated that his security guard has advised the subjects who are doing so to stop it and has taken pictures of the plates and vehicles of those who continue to cause a disturbance. I advised DIAZ-PINEDA that if they requiring reservations through Facebook to be allowed inside the bar, he needs to do an announcement for his patrons to not cause a disturbance when they leave the bar because ultimately the bar is being held liable for those complaints. DIAZ-PINEDA stated he understood and would start to do what was advised. DIAZ-PINEDA was cooperative.

I later observed that the bar's tavern license# 208047 is up to date.

End of report.

This report is written by P.O. Joshua YANG, assigned to District Six, Late Power Shift. On Saturday, February 6, 2021, I was assigned to Squad 6468 (License Premise Car) with P.O. Joel BUNKELMAN.

On Sunday, February 7, 2021 at approximately 1:46 am, P.O. BUNKELMAN and I were dispatched to assist Squad 6440, P.O. Shawn SWITZER and Squad 6367, Mark SHEREMETA regarding a battery complaint at 733 W. Oklahoma Ave. (El Relajo), located in the City and County of Milwaukee.

Upon arrival, P.O. SWITZER and P.O. SHEREMETA were on scene and was speaking with the security guard that is employed by the bar. The security was later identified as **Jorge J. ECHEVARRIA (W/M, 5/20/95)** and the caller/manager of the bar was identified as **Hugo O. DIAZ-PINEDA (W/M, 1/14/79)**. P.O. SWITZER relayed the statements that he obtained from ECHEVARRIA. ECHEVARRIA stated he was working security when there were three unknown Hispanic subjects that began to argue with him. ECHEVARRIA stated this escalated outside and at some point, one of the subjects punched him and he fell onto the snow bank. ECHEVARRIA stated he got up and he used his pepper spray towards the subject at which time they fled the scene in an unknown direction. ECHEVARRIA stated he did not want to press charges.

DIAZ-PINEDA stated he doesn't know who these subjects are because everyone that comes into the bar have to receive a Facebook invitation. DIAZ-PINEDA stated he thinks these subjects may have came with a female who did receive an invitation. I advised DIAZ-PINEDA that he shouldn't allow anyone except the person that received the invitation. DIAZ-PINEDA stated he agreed and would make those changes.

Neither ECHEVARRIA or DIAZ-PINEDA had any further information on the possible subject involved.

INITIAL INVESTIGATION

Yang, Joshua 019787

02/26/2021

This report is written by P.O. Joshua YANG, assigned to District Six, Late Power Shift. On Wednesday, February 24, 2021, I was assigned to Squad 6468 (License Premise Car).

On Thursday, February 25, 2021 at approximately 12:34 am, I responded to a trouble with subject complaint at 733 W. Oklahoma Ave. (El Relajo bar), located in the City and County of Milwaukee. Squad 6440, P.O. Shawn SWITZER and P.O. Benjamin DELANEY responded to assist.

Upon arrival, I spoke with the caller who was the security personnel and was identified as **Jorge J. ECHEVARRIA (W/M, 5/20/95)**. ECHEVARRIA stated he called the police because there were a couple of subjects who had left the location and seemed like they were going to fight each other. ECHEVARRIA stated they appeared to be on their phones and attempting to call people to the area. ECHEVARRIA stated that as soon as the police showed up, all of the subjects left the location in an unknown method of transportation and left in an unknown direction. The manager, Hugo O. DIAZ-PINEDA (W/M, 1/14/79), came outside and relayed the same information that ECHEVARRIA was giving me. I asked DIAZ-PINEDA if the bar is only allowing patrons inside if they receive an invite. DIAZ-PINEDA stated they still are but tonight they didn't because it was slow. I advised DIAZ-PINEDA and ECHEVARRIA that they should continue to only allow people that have received an invite because otherwise they are going to have incidents like tonight.

I later observed that the tavern license# 208047 for the location was up to date.

End of report.
