To the Honorable Common Council
of the City of Milwaukee
Room 205 – City Hall

RE: Communication from: AT&T
C.I. File No. 1030-2024-798

Dear Council Members:

AT & T alleges that on January 11, 2024 they sustained damage to their fiber optic line when it was struck by a City garbage truck in the area of 1837 North Hi Mount Boulevard. They claim damages in the amount of \$8,498.88.

The Department of Public Works Support Services Division has no knowledge or record of causing the subject damages at the above-referenced date and location. Claimant indicates a citizen witness reported the incident, but we have no name or contact information for the witness.

There is no evidence that the City was negligent in this case. Therefore, we recommend that this claim be denied.

Very truly yours,

EVAN C. GOYKE
City Attorney
