Bob,

We will be unable to attend tomorrow as I am having chemo treatment tomorrow and Rodney goes along. We oppose the demolish of the Wadsworth house whether it is considered historic or not. It should remain on the property tax roll and either be fixed up so it can be rented or sold to someone who will fix it up and rent or live in it. Neighborhood House made a major mistake by acting before thinking this action through and a big waste of money in buying that property with the intention of tearing it down to make parking for it's employees.

A reminder that the council's Zoning Committee will hear this matter tomorrow, Tuesday, October 21, at 9:45 AM in room 301b of City Hall.

As many of you will recall, Neighborhood House is seeking to demolish this 1850 built house which is in the Concordia Historic District. The Historic Preservation Commission denied a demolition permit. Neighborhood House appealed from this denial to the common council. The Zoning Committee heard the matter on June 24, however, before the hearing was completed, Neighborhood House requested an adjournment.

At the initial hearing, neighbors were unable to testify. They can testify tomorrow.

Testimony for and against demolition will be taken.

HCNI has taken a position opposing demolition.
