Subject: 070034: New Land Enterprises (owner, Boris Gohkman) 2574 n. Downer

PLEASE DO NOT allow the rezoning and the construction of buildings on this lot!!!!!!!!!!!!!!

I grew up in the area and bring my children there to shop, walk and visit old neighbors. This is not an appropriate location for the proposed structure. PLEASE preserve the integrity of this historic area- this is truly a unique spot.

I will not be able to attend the meeting but want the governing bodies to CONSIDER this strong appeal for this company to find OTHER MORE SUITABLE acreage for thier buildings.

Sincerely,

Dori Knoff
