**Sponsors:** THE CHAIR

*Joey Zocher and Kim Copeland were present along with staff members Edlund, Maxson, Schultz and Weber.*

*Responding to Ald. Brower's question, Ms. Zocher said that when Escuela Verde was first formed, they met with MTA to be part of the union and that they were declined. She added that they follow what they do, that they up bridged the salaries and they are not opposed to unions.*

*Mr. Edlund said that he is a senior adviser and that he has been focusing on opening doors and opportunities for pro-union labor, that they have been partnering with Big Step and that he is going to integrate firefighting and police options in the curriculum. He added that he also works closely with families to complete FAFSA and any other financial aid for post-secondary progress for the students.*

*Mr. Schultz said that this is his third year at Escuela Verde after completing college, that he was nervous with the idea of working for a charter school at the beginning but that he has found that he is valued as an educator. He added that he has family members who work for MPS and they do not feel that they have a seat at the table. He also said that they are cultivating a community of great humans which is important when it comes to school.*

*Ms. Weber said that Escuela Verde is within the 25% range of special education, that the students in her caseload come from a much more restrictive placement from MPS and they are fully included now because they have the freedom and flexibility to provide the services with their peers.*

*Mr. Maxson said that he has been an educator for 33 years with experience in rural, suburban and urban schools and that this model combines a lot of the things of a democratic education. He said that he returned to work after retiring from public education for what the school is doing.*

*Ms. Copeland said that the students at Escuela Verde find the opportunities they need.*

7. [251394](#) Substitute motion approving renewal of a charter school contract with Milwaukee Math and Science Academy for an additional 5-year term.

**Sponsors:** THE CHAIR

*Ashley Ellis, Crystal Bielmeir and Ali Yilmaz were present.*

*Ms. Bielmeir said that 12-15% of the students are learning the language and 15-25% are students with special needs. She added that the more students are enrolled, there are more needs and that they do what they can, with the money that they receive. She said that according to the presentation, the students are not at the*

*desired level yet but achieving and that students have to show a high growth year after year. She also said that the state report card indicates that students are growing at a faster rate than others with same demographics. She explained that the curriculum they use, helps the students to feel confident about themselves, they take more chances academically and it's when they just take off.*

*Dr. Ali said that 10-12% of the charter schools nationwide are unionized, that this school is very democratic because it is a choice for students and teachers. He added that they have 15 licensed teachers, 1 is under the licensing program and 4 about to get started.*
