FISCAL REVIEW SECTION MEMORANDUM

TO: Ald. Paul A. Henningsen

FROM: Emma J Stamps
Fiscal Review Analyst - Senior

RE: Fire Department Emergency Medical Service Response

Per your request, I have gathered information on EMS ALS and BLS calls. If you need additional information please call me at 8666.

2001 and 2002 EMERGENCY MEDICAL SERVICES QUESTIONNAIRE
Gloria Murawsky, Milwaukee Fire Department
June 12, 2002

General Emergency Medical Services:

1. In total, how many EMS calls were dispatched for the year 2001?

47,165

ALS:

1. Of the total EMS calls dispatched in 2001, how many were ALS calls? How many ALS calls have been dispatched year-to-date in 2002?

18,190 (2001)

7,501 (2002 – thru 5th month)

2. How many calls did the City of Milwaukee respond to outside the City of Milwaukee boundaries?

424 (2001)

3. How many calls were responded to by other municipal fire services within the City of Milwaukee boundaries?

35

4. How many calls did Milwaukee Fire ALS units respond to when the target address fell outside the responding ALS unit's primary response area?

It will take two to three weeks before this information can be compiled.

5. Of the units responding to calls outside of their primary response area, please provide the following:

- a. Total number of apparatus per unit?

Unknown

- b. Total number of calls responded to per apparatus?

See attached sheet for number of calls by MED Units responding outside of their primary response area.

BLS:

1. Of the total EMS calls dispatched in 2001, how many were BLS calls?

24,821

2. How many calls were responded to by Fire units and then transported by private ambulance in 2001?

14,135

3. How many calls were responded to by Milwaukee Fire units and then cancelled in route in 2001?

21

4. How many BLS calls have been dispatched year-to-date in 2002?

9,698

5. How many calls were responded to by Fire units and then transported by private ambulance year-to-date in 2002?

5,424

6. How many calls were responded to by Milwaukee Fire units and then cancelled year-to-date in 2002?

14

5b Number of units responding outside of their primary response area:
