Dear Alderman,

I just received word of the pending request for the Sam's Club on the Northeast corner of 124th street and Bradley Road.

I am totally opposed to this plan in as much as there is already a Woodman's directly across the street. Currently, this site is urban prairie which reflects the natural grown on Bradley Road from 124th street and 107th street.

Please do everything you can to stop this development.

Thank You
