(3) The requirements set forth in said general plan attached to this Common Council File as Exhibit A, constitute the zoning regulations for the area contained in such planned development district described, provided further, that the effect of the approval of such general plan is that such plan shall limit and control construction, location, use and operation of all land and structures included within the general plan to all conditions and limitations set forth in such general plan.

Part 2. Any persons, firm, company or corporation owning, controlling, or managing any building, or premises wherein or whereon there shall be placed or there exists anything in violation of the terms of this ordinance, or who shall build contrary to the plans or specifications submitted to and approved by the Commissioner of the Department of City Development, or any person, firm, company or corporation who shall omit, neglect or refuse to do any act required in this ordinance shall be subject to the penalties provided in Section 200-19 of the Code.

The Common Council declares that it would have passed this ordinance and each section, subsection, sentence, clause, phrase or portion irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases or other portions be declared void or invalid.
