Dear Members of the Milwaukee Common Council,

I am writing on behalf of the union members of the Milwaukee Area Labor Council in support of the resolution modifying Standard Operating Procedure 460 to require Milwaukee Police Department officers to intervene to protect residents from aggressive ICE tactics. For over a year, we have seen communities in neighboring states torn apart by ICE's increasingly horrific violence. They have brutalized children, immigrants, citizens, protesters, and bystanders while their actions remain unchecked. We need to stand up to the reckless and aggressive playbook utilized by ICE.

We are particularly concerned about children being detained as ICE continues to ignore guardianship plans made by immigrant families. Local law enforcement has a duty to protect the human rights of Milwaukee's children and must step forward to do so. We urge you to stand with your neighbors and support this resolution.

Sincerely,
