Good morning,

A constituent reports that there is a large amount of piled up and overflowing garbage in the dumpster behind Lush Lounge in the strip mall in 76th and Florist. This has been a recurring concern reported by the neighbors who share an alley with Lush Lounge. They have repeatedly reported complaints of rats that have resulted from the recurrence of overflowing garbage, as well as the debris and smell that is caused by the garbage. The neighbors have repeatedly submitted pictures, please see the attached picture that accompanies this email as well, they have met with the Alderman, and worked with Havenwoods Neighborhood Improvement District, all in efforts to have their ongoing concern addressed and resolved. Can you please have staff from your respective departments again address this concern. Thank you all.

Thank you response.

The neighborhood is beyond exhausted with the strip mall. No one knows who to talk to/express their concerns. They have expressed their property value may go down due to the strip mall.

The new owner of the strip mall is a slumlord. The dumpsters can not get dumped because they do not plow the alley or shovel the dumpsters out.

Everyone in the neighborhood do not speak English.

I communicate with most of them thru their children.

Some of the neighbors expressed you may be receiving a kick back because of the many emails I have sent and the the problem continues. There is'also no information on the city of mil website regarding the complants I made. Therefore, they will have no problem renewing their lease. Unacceptable.

I expressed to you guys ystrdy one neighbor stated she was calling the news. She has ran out of patience.

I understand what you are asking regarding the cameras etc...but its not our responsibility to provide you with the footage. It's the landlord.. tenants responsibility.

The car continues to be parked in the alley every night. A inconvenience getting in and out the garbage for home owners.

Again.. we never had this problem with Ald Davis and the previous owner of the strip mall.

We all worked together and had quarterly mtgs in the alley.

Mr Chambers please help the home owners out

No one wants to be uncomfortable in their own home.

Put yourself in our shoes and have the strip mall take accountability for their actions.

Please do not blame the home owners for the rodent problem considering you see the pictures I send you.

Thanks again for your response.

Thank you for reaching out. I understand your frustration, and I share your concerns about both safety and sanitation.

Regarding the rodent issue, my office has sent inspectors out on every occasion that you requested, and we will continue to follow up with the appropriate departments to determine what additional measures can be taken. I also encourage the property owners to implement pest control measures to help mitigate the problem.

As for the ongoing dumping and cleanup concerns, we have consistently reached out to the responsible parties and will continue to push for action. To better address this issue, we have asked for security footage to help pinpoint those responsible for the dumping. If you or any nearby businesses have camera footage that could assist in identifying the culprits, please let us know.

I appreciate your patience, and I will keep you updated on any developments. Please don't hesitate to reach out with any further concerns.

Subject: Incident Notification at Lush

Alderman Chambers,

I am writing to inform your office of a substantial battery that occurred at Lush, located at 5938 N 76th St. Please note that both the victim and one of the witnesses were underage. I will be sending our tavern squad to the location to conduct a tavern check and issue citations for the underage patrons.

I plan to wait until after the tavern check to assess their level of cooperation. Based on that, I will determine whether we need to bring them into the District for a meeting.

Thank you.
