Dear Erick:

It is my pleasure to inform you that the trustees of the Fund for Lake Michigan have approved a grant of \$25,000 to the City of Milwaukee Office of Environmental Sustainability to support the North Avenue Corridor Restoration: GI Implementation Solution for Privately-Owned Parking Lots project.

The Fund for Lake Michigan is a donor-advised fund of the Greater Milwaukee Foundation, Inc. You should receive your initial grant payment directly from the GMF once the attached grant contract is signed and returned to the Fund for Lake Michigan. Please send the contract electronically to vicki@fundforlakemichigan.org. Note that the grant agreement includes payment dates, reporting requirements and other important information and conditions of the grant.

We are excited about this project and are honored to support your organization. For all publications and correspondence, please refer to this as a grant from the **Fund for Lake Michigan**. The Fund's name and logo should appear in publications, electronic materials, and on signs for events or projects supported by the grant. See your grant agreement and the attached guidelines for additional information on publicizing your grant, and please keep us posted on your outreach plans. We are happy to be of assistance as you consider ways to acknowledge the Fund and share news about your grant with others.

Congratulations and best wishes. We look forward to hearing updates on your progress and hope that you will not hesitate to contact the Fund if we can further assist your efforts.

Sincerely,
