Hi,

I'm Leo McClutchy and I am an active member of the local music scene here in Milwaukee. After being apart of the scene and playing shows and attending a large number of shows and performances here, I believe we would greatly benefit from lifting the restrictions small venues have on becoming an all ages arts center. I have many friends who are not of age and cannot attend shows at small clubs because of this. I believe this creates a major roadblock for creative expression in young people and is unfair to those who are too young to watch their favorite bands play live. Please consider adding a new designation to "arts center" and adjusting the code so smaller clubs and venues have the ability to host all ages or at least 18+ shows.

Thank you,

-Leo
