Honorable Joseph A. Dudzik  
Alderman, 11<sup>th</sup> Aldermanic District  
Room 205, City Hall

SUBJECT: 11<sup>TH</sup> ALDERMANIC DISTRICT – FILE #070599  
INSTALL STOP SIGN ON SOUTH 65<sup>TH</sup> STREET  
AT WEST HARRISON AVENUE

Dear Alderman Dudzik:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our Traffic Engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of a hill that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

SUBJECT: 13<sup>TH</sup> ALDERMANIC DISTRICT – FILE #070599  
INSTALL STOP SIGNS ON SOUTH 15<sup>TH</sup> PLACE  
AT WEST DAKOTA STREET

Dear Alderman Witkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our Traffic Engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents and also sight obstructions existing at the northeast and northwest corners of the intersection in the form of a hill and a house that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
