

TRAFFIC MITIGATION CONTRACT
BETWEEN
THE WISCONSIN DEPARTMENT OF TRANSPORTATION
AND
THE CITY OF MILWAUKEE POLICE DEPARTMENT

I.D. 1100-10-91 (Contract #7)
2001 Traffic Mitigation
USH 45 –CTH Q (Waukesha Co.) to Lincoln Ave. (Milwaukee Co.)

This contract made and entered into and between the Wisconsin Department of Transportation and the City of Milwaukee Police Department provides the following services.

The Department of Transportation has scheduled resurfacing and related construction activities on USH 45 from Waukesha County Trunk Highway Q to Lincoln Ave. In Milwaukee County. This is a two-phase project over the period of two years (2000 and 2001). The work will include a series of lane and ramp closures. Freeway capacity will be decreased and local street traffic congestion in the immediate area will likely increase.

Unusual traffic operations will exist within the limits of the project. These traffic operations will have an affect on the traffic conditions on the adjacent surface street system. The Department of Transportation advises implementation of extraordinary traffic mitigation measures to minimize any unsafe conditions on local streets caused by increased volumes of diverted traffic from USH 45.

The City of Milwaukee's Police Department will identify congested traffic areas brought on by the diverted traffic volume from USH 45 ramp and lane closures while construction activities are taking place. If necessary they will provide additional police traffic patrol and enforcement.

The use of city police forces is considered to be in the public's best interest because they are best suited to react to any changes in prevailing local street traffic conditions that may result from the USH 45 resurfacing.

The City of Milwaukee's Police Department will charge actual costs incurred and attributable to the work performed under this contract. Total reimbursement, for the year 2001, to the City of Milwaukee's Police Department will not exceed \$115,000.00. Billings will be directed to the Wisconsin Department of Transportation, District 2, 141 NW Barstow Street, P.O. Box 798, Waukesha, WI 53187-0798 and will include a statement of expenses supported by a description of items and services provided.
