**REVISED**

**MARY E TURK**

File 090004 is a resolution approving and authorizing the donation of one used fire pumper truck from the City of Milwaukee to Milwaukee's Sister City of Morogoro, Tanzania.

**Background and Discussion**

1. The purpose of this resolution is to approve and authorize the donation of one used fire pumper truck from the City of Milwaukee Fire Department to Milwaukee's Sister City of Morogoro, Tanzania.
2. The Milwaukee Code of Ordinances allows a donation if the Purchasing Director believes it would be in the best interest of the City. The Purchasing Director has approved this donation as has the Chief of the Milwaukee Fire Department.
3. A donor is willing to transfer the truck to Morogoro, Tanzania at no cost to the City.
4. There is an agreement, drafted by the City Attorney's Office, that facilitates the transfer of the truck on an "as is" basis and protects the City from potential liability.

**Fiscal Impact**

The fiscal impact to the city is the possible loss of resale value for the truck. In 2007, 2 pumper trucks were sold at auction. These are the most recent pumper trucks that have been sold. One was sold for \$3,300 and the other was sold for \$4,700.
