Subject: AD4 Objection to The Bodega @ 628 N Water

Dear Mr. Cooney,

Please let this serve as an objection to the Class B application for the Bodega located at 628 N Water St on January 25th. Alderman Bauman is concerned about the proposed operators and that they will run this establishment as they did their former establishment "Texture." Salvatore Safina, agent and 50% owner of The Bodega, had an ownership interest in Texture at 606 S 5th St. This location was non-renewed in 2012 (file #120143). <https://milwaukee.legistar.com/LegislationDetail.aspx?ID=1132242&GUID=01CD2B73-C7B0-4695-8585-F8845871BAF1&Options=&Search>

Dear Mr. Salvo, Atty. Krueger, and Atty. Maistelman:

This is to notify you that on Tuesday, July 10, 2012, the City's Licenses Committee voted to recommend to the City's Common Council that the Class "B" Tavern and Public Entertainment Premises licenses not be renewed for the premises located at 606 S. 5th St. ("Texture") based on neighborhood objections, police report, aldermanic testimony, and applicant's testimony under oath to not renew the licenses at the previous year's meeting and for not keeping the promise about using security features.

On July 13, 2012, you were mailed a true and correct copy of the findings of fact, conclusions of law and recommendations of the Licenses Committee with respect to the renewal applications for Class "B" Tavern and Public Entertainment Premises licenses in which the Committee recommended that the licenses not be renewed. You were further notified that the Milwaukee Common Council would consider the matter at its meeting of Tuesday, July 24, 2012, commencing at 9:00 a.m. in the Common Council Chambers on the third floor of City Hall, 200 East Wells Street, Milwaukee, Wisconsin. You were advised of the right to file written objections and to appear personally or by counsel to address the Common Council. At that date, time, and place, you did not appear, and you did file written objections to the report of the Licenses Committee. You were not represented by counsel.

Following consideration of the report of the Licenses Committee and the written objections, the Common Council adopted the recommendation of the Licenses Committee to not renew the Class "B" Tavern and Public Entertainment Premises licenses based on neighborhood objections, police report, aldermanic testimony, and applicant's testimony under oath to not renew the licenses at the previous year's meeting and for not keeping the promise about using security features.

If you previously paid the license fees you may be eligible for a refund, except for a portion of the fee that may be retained, by bringing in your receipt or filing an application for a refund within one year to date of Common Council action with the License Division, Room 105, City Hall.

Respectfully,

Re: Pop Promotions, LLC d/b/a Texture – 606 S. 5th Street, Milwaukee, WI
Objections

Dear City Clerk Owczarski,

Our office is Counsel to Pop Promotions, LLC d/b/a Texture (“Texture”). On July 10, 2012, the Licenses Committee (“Committee”) met to consider the renewal of Texture’s Class B Tavern and Tavern Amusement license (“License”). The Committee voted to recommend that Texture’s License be non-renewed based upon certain items in the police report synopsis, and the objection of two neighbors.

This letter serves as my client’s written objection to the “Findings of Fact and Conclusions of Law” and recommendation of the Committee. The specific objections are as follows:

1. Paragraph A, E & K of the Findings of Fact states that both the victim and suspect were patrons of Texture at the night in question. This allegation was on the police report. Texture submitted first hand testimony that revealed that the suspect’s vehicle was never seen at the club prior to the incident and the suspect was not in the club that evening since none of the security saw him nor did he show up on any security videos. Texture was unable to cross-examine the police synopsis since the author of the report was not present at the hearing.
2. Paragraph F of the Findings of Fact fails to state that the neighbor has any first hand knowledge of any of the problems which can be definitely attributed to Texture.
3. Paragraph G of the Findings of Fact are irrelevant as even if threats of legal action for defamation were made to the neighbor by legal counsel they cannot be attributable to Texture and informing a party that their actions are actionable is not illegal. Furthermore, Texture objects to the fact that the neighbor’s house was videotaped prior to the last licensing hearing for the following reasons: These actions took place prior to the current license year; the License Committee heard

this testimony at last years hearing and acted upon it. Furthermore, she was making false and defamatory accusations about Texture and at the end of last year's hearing she was confronted about her proof for making such false and misleading accusations. This neighbor did not have any first hand specific knowledge about problems in the past Licensing period specifically caused by Texture.

4. Paragraph K of the Findings of Fact specifically the allegations that Texture informed the committee last year that it would not reapply for the 2012-2013 year is irrelevant and was made during the license renewal hearing from the prior year and therefore could not be used as the basis for the current year. Additionally, because Texture had made progress in the past year, attended most of Walker's Point Neighborhood Association meetings and never heard of any complaints, Texture decided to reapply for its license. Mr. Salvo did not testify that Texture did not always use the ID Scanner but that the night in question the ID Scanner was not working.
5. The Licenses Committee has failed to forward *its own* report and recommendation, including Findings of Fact, Conclusions of Law, and a recommendation to the Common Council as required by § 90-11-2-c-2, Milwaukee Code of Ordinances.
6. A total of 7 people testified in support of Texture. Only two people testified in opposition and those opposed were not able to cite any eye witness testimony to support their allegations against Texture.
7. The last paragraph of the "Findings of Fact" (contained on page 5), states that "Based upon the testimony heard and evidence received, the **Committee makes the following findings of fact**" [emphasis added]. Texture objects to this statement, as the Committee has never adopted these findings. Because the Findings of Fact and Conclusions of Law were never adopted by the Committee, it would be more properly characterized as the City Attorney's proposed Findings of Fact and Conclusions of Law.
8. All references in the Findings of Fact and Conclusions of law to the Police Report/Synopsis should be stricken as hearsay because Texture put forward evidence which called into question the validity and accuracy of the Police Report/Synopsis.
9. During Texture's License Renewal hearing, its Counsel was cut off at numerous times by the Committee from asking certain questions of witnesses. Depriving Texture of its ability to put on its evidence and properly cross-examine witnesses.

Texture's rights to Due Process and Equal Protection have been violated by the actions of the Licenses Committee. As explained above, Texture's business operations in 2012-2013 require

that the City of Milwaukee renew its License with the issuance of only a warning letter.

Thank you for your attention to this matter.

Sincerely,

/s/
Michael S. Maistelman
Attorney at Law

Re: Report on the Renewal Applications of the Class "B" Tavern and Public Entertainment Premises licenses of Salvatore Salvo, agent for "Pop Promotions, LLC," for the premises located at 606 South 5th Street in the City and County of Milwaukee, Wisconsin ("Texture")

FINDINGS OF FACT

1. Salvatore Salvo, agent for Pop Promotions, LLC (hereinafter the "licensee"), is the holder of court-ordered Class "B" Tavern and Public Entertainment Premises licenses for the premises located at 606 South 5th Street in the City and County of Milwaukee, Wisconsin ("Texture"). Said licenses expires at midnight on July 25, 2012.
2. Applications to renew said licenses were filed with the Office of the City Clerk on April 26, 2012.
3. Pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation. On April 29, 2012, the Milwaukee Police Department responded with a report regarding the renewal of said licenses which could form a basis of non-renewal or suspension.
4. On June 26, 2012, the City Clerk's Office provided timely notice to the licensee pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of the Milwaukee Police Department report. The matter was scheduled for a hearing on the Milwaukee Police Department report on July 10, 2012, commencing at 2:45 p.m. in Room 301B of the third floor of City Hall. At said date, time, and place, the licensee appeared at the hearing and admitted receipt of the notice of hearing, together with a copy of the Milwaukee Police Department report. The licensee was represented by Attorneys Dennis Krueger and Michael Maistelman.

5. Based upon the testimony heard and evidence received, the Committee makes the following findings of fact.
- A. On March 12, 2012 at 1:39 a.m., officers of the Milwaukee Police Department were dispatched to 606 South 5th Street for a shots fired complaint that was later upgraded to a shooting when a victim arrived a nearby hospital. Police arrived on scene at the bar and observed several security guards in the street directing people out of the area and also pointing police towards the area where there shots were fired. Security also pointed out a vehicle that was struck by gunfire. Investigation revealed the incident took place across the street from the bar in the parking lot that belonged to La Fuente. The restaurant was closed at the time. Police spoke with Angel Acevedo regarding the incident who made contact with the owner Donato Salvo who was on scene at the time of the incident. Salvo produced a DVD from the video surveillance who then interviewed by a detective. Further investigation revealed a possible victim from a robbery attempt, which led to the shooting. Both the victim and suspect of the robbery admitted to being patrons of Texture Nightclub.
- B. On March 17, 2012 at 12:45 a.m., officers of the Milwaukee Police Department investigated an injured person at 606 South 5th Street. The investigation found a patron of the club became intoxicated and fell approximately 5 feet off a ledge, onto the dance floor. The patron was unable to walk and was conveyed to an area hospital where he was treated for a fracture to his spine. Police obtained witness statements that the subject fell while standing on the ledge. On March 24, 2012, police interviewed the victim who insisted he was pulled off a ledge by Texture's security, even after having multiple witnesses stated the opposite to police. Police attempted to view the incident on video surveillance but the cameras did not capture the incident due to where they were positioned.
- C. On March 19, 2012 at 4:43 p.m., officers of the Milwaukee Police Department investigated a walk-in battery complaint at District Two. A victim told police he was a battery victim and that it occurred outside the Texture bar. Police conducted follow up and spoke with Jose Acevedo. Acevedo provided police with video surveillance from that night which showed no fights or disturbances outside the club at the time the victim stated he was battered.
- D. On June 4, 2012 at 1:37 a.m., officers of the Milwaukee Police Department investigated a subject with gun complaint at 606 South 5th Street (Texture). An individual was removed from the establishment by security for starting a fight. The subject returned to the establishment minutes later armed with a .357 magnum revolver and began to wave the

firearm in the air demanding the subjects he had an altercation with earlier to exit the establishment. An armed security guard confronted the subject at which time the subject handed the gun to another individual who then ran from the location. The security chased the subject and apprehended both individuals and recovered the firearm. Both subjects were convicted felons. Security assisted the police in blocking off the street and the club staff was cooperative.

- E. Brian Davis, security for the night club, 606 South 5th Street, Milwaukee testified that on March 12, 2012 he observed a red Suburban drive past, heard shots, saw a man with a gunshot wound and spent an hour with detectives. There were 200 to 250 people at the club that night and he did not see the robber and cannot confirm if the robber was a patron that night. The victim of the attempted robbery was a patron that night, and Davis gave a copy of security footage to police.
- F. Robert Beronja, 528 W. Bruce Street, testified to pedestrians coming by his street and vehicles driving past his house making loud noise at 1:15 a.m. in the morning, shootings in front of his house during the past licensing year, people throwing punches in front of his house, broken bottles and litter in front of his house, and public drinking in front of his house. To his knowledge, no other businesses follow the hours of Texture. Mr. Beronja observes more issues on Sunday night. Mr. Beronja has lived in neighborhood for about 20 years. He further testified to traffic jams at 1:30 a.m. and being awakened at night. He is aware of the blockade on Bruce Street, but cars go around it. He is aware of other clubs in neighborhood (Tropical and Envy). He was in opposition to the licenses.
- G. Juli Kaufmann, 255 West Bruce Street, testified that she has been outspoken against Texture for three years and was threatened with civil legal action by Texture's counsel at a neighborhood meeting. At last year's Licenses Committee meeting her house was videotaped by Texture as shown by Texture's video, she went through 40 minutes of cross examination by Texture's counsel, and she was verbally assaulted by Mr. Salvo's father. These occurrences are acts of intimidation and bullying, in her view. Texture or its counsel has not reached out to her. During the last licensing year, she has experienced noise and similar disruptions of previous years. She filed a few email complaints, including one regarding to hearing gun shots on March 12, 2012. Under oath at last year's Licenses Committee hearing, Mr. Salvo testified that he would not renew the licenses after its expiration in July 2012. She was in opposition to the licenses.
- H. John Jordan, 536 South 5th Street, testified that he has observed less crime, broken glass, and litter in the area; however, there is still noise during Texture's closing time. He was in support of the licenses.

- I. Luis Melendez, 603 South 5th Street, testified that there is noise during Texture's closing time, but he does not find issue with it. He added that he is a customer of Texture on Sunday nights when no other place is open; however, Envy night club is open sometimes and Tropical night club is busy on Sundays. He was in support of the licenses.
- J. Victor Ray of Walker's Point Association, 1137 South 3rd Street, testified to witnessing the following as a patron of Texture: a car peeling on the street to Bruce St. and creating excessive noise, 8 armed guards on 5th Street during closing time, and a "Wild West" scene at closing time from all four bars in the area. He added that Texture's closing process was quick, which took about 10 minutes. He was neither in support or opposition to the licenses.
- K. Donato Salvo, manager of Texture, testified that he was present at 1:09 a.m on October 16, 2011, escorted a male patron from a fight with a woman inside, called police, and detained both the male and female. Mr. Salvo said that he provided security footage to police and staff were cooperative. On March 12, 2012, Mr. Salvo testified that he was present at 1:39 a.m. when the tavern was closed and patrons were out of the bar. The street was 90% cleared when the robbery attempt occurred. The victim was a patron of the bar. Mr. Salvo heard gunshots while sitting outside and called 911. Mr. Salvo saw a vehicle circle the block a few times. The victim shot the robber. Mr. Salvo's security told him that the robbers were not patrons of the bar. Tropical and Envy are also open on Sundays sometimes. Mr. Salvo admitted that he had promised the preceding year under oath that he would not reapply for Texture's licenses this year. Mr. Salvo also testified that Texture did not always use the ID scanner Texture promised to use in the past. Had the ID scanner been used on March 12, 2012, this would have shown what the robber was up to in Texture prior to the shooting. Mr. Salvo testified that he did not reach out to address Ms. Kaufmann's concerns.
- L. Four other individuals testified in support of the licenses.

CONCLUSIONS OF LAW

- 1. The Committee has jurisdiction to hold hearings and provide Findings of Fact, Conclusions of Law and a Recommendation to the full Common Council pursuant to Chapter 125 of the Wisconsin Statutes and Chapter 90 of the Milwaukee Code of Ordinances.
- 2. Based upon the above facts found, the Committee concludes that the licensee, Salvatore Salvo, agent for "Pop Promotions, LLC," for the premises located at

606 South 5th Street in the City and County of Milwaukee, Wisconsin ("Texture") has not met the criteria of Chapter 125 of the Wisconsin Statutes or Chapter 90 of the Milwaukee Code of Ordinances to allow renewal of the Class "B" Tavern and Public Entertainment Premises licenses held by him based upon neighborhood objections, police report, aldermanic testimony, and applicant's testimony under oath to not renew the licenses at the previous year's meeting and for not keeping the promise about using security features.

3. In order to protect the health, safety, and welfare of the citizens of the City of Milwaukee, it is the recommendation of the Licenses Committee that the full Common Council of the City of Milwaukee should exercise its judgment to not renew the Class "B" Tavern and Public Entertainment Premises licenses held by Salvatore Salvo, agent for "Pop Promotions, LLC," for the premises located at 606 South 5th Street in the City and County of Milwaukee, Wisconsin ("Texture") based upon neighborhood objections, police report, aldermanic testimony, and applicant's testimony under oath to not renew the licenses at the previous year's meeting and for not keeping the promise about using security features.

RECOMMENDATION

Based upon the Findings of Fact and Conclusions of Law stated above, the Committee, by a vote of five (5) ayes and zero (0) noes, recommends that the Class "B" Tavern and Public Entertainment Premises licenses held by Salvatore Salvo, agent for "Pop Promotions, LLC," for the premises located at 606 South 5th Street in the City and County of Milwaukee, Wisconsin ("Texture") not be renewed based upon neighborhood objections, police report, aldermanic testimony, and applicant's testimony under oath to not renew the licenses at the previous year's meeting and for not keeping the promise about using security features.

At last year's Licenses Committee meeting her house was videotaped by Texture as shown by Texture's video, she went through 40 minutes of cross examination by Texture's counsel, and she was verbally assaulted by Mr. Salvo's father. These occurrences are acts of intimidation and bullying, in her view. Texture or its counsel has not reached out to her. During the last licensing year, she has experienced noise and similar disruptions of previous years. She filed a few email complaints, including one regarding hearing gun shots on March 12, 2012. Under oath at last year's Licenses Committee hearing, Mr. Salvo testified that he would not renew the licenses after its expiration in July 2012.

Individuals appearing in support:

John Jordan, 536 S. 5th St., Milwaukee, WI 53204
James S., 703 S. 5th St., Apt. 8, Milwaukee, WI 53204
Juan Lopez, 608. S. 5th St., Milwaukee, WI 53204
Luis Melendez, 603 S. 5th St., Milwaukee, WI 53204
Jason Calores, 608 S. 5th St., Apt. C, Milwaukee, WI 53204
Juan Carlos Ruiz, 1220 E. Vienna Ave., Milwaukee, WI 53212

Mr. Jordan testified that he has observed less crime, broken glass, and litter in the area; however, there is still noise during Texture's closing time.

Mr. Melendez testified that there is noise during Texture's closing time, but he does not find issue with it. He added that he is a customer of Texture on Sunday nights when no other place is open; however, Envy night club is open sometimes and Tropical night club is busy on Sundays.

Individual appearing in neutrality:

Victor Ray, Walker's Point Association, 1137 S. 3rd St., Milwaukee, WI 53204

Mr. Ray testified to witnessing the following as a patron of Texture: a car peeling on the street to Bruce St. and creating excessive noise, 8 armed guards on 5th Street during closing time, and a "Wild West" scene at closing time from all four bars in the area. He added that Texture's closing process was quick, which took about 10 minutes.

Mr. Salvo said that he did not reach out to Ms. Kaufmann and that he had testified under oath at last year's Licenses Committee hearing to not renew the licenses due to being frustrated and tired.

Ald. Perez testified that he, along with constituents that he has been in contact with, were frustrated by the noise and traffic during closing bar time from Texture. He said that he personally witnessed people driving on sidewalks, presence of police, a chaotic scene, and people peppered sprayed in front of his car. He added that Texture's closing process was inconsistent and the most recent Sunday night closing from Texture was bad.

Atty. Stephens gave an update on the legal situation regarding Texture's licenses. The licenses has been in litigation for more than 2 licensing years. The court struck the decision of the Licenses Committee and Common Council last year and judicially

ordered issuance of last year's renewal licenses. The City is appealing.

Ald. Kovac moved denial based on neighborhood testimony, applicant testimony of previously stating under oath to not renew the licenses this year and of not using the club's ID scanner, items #26, 27, 28, and 30 on the police report, and aldermanic testimony. (Prevailed 5-0)

A motion was made by ALD. KOVAC that this Motion be AMENDED. This motion PREVAILED by the following vote:

NARRATIVE SECTION: This report is written by P.O. Robert J. CRAWLEY assigned to Squad 2469 with P.O. Joshua KOOPMEINERS at District 2, Power shift. On Thursday, October 06, 2011, at approximately 1:09 AM, my partner and I responded to 606 S.5th St., Texture Night Club, for a fight complaint. Upon arrival I spoke to Valencia S. WILLIAMSON, B/M, 4/7/91, who stated that she was battered inside and outside of the club by a known subject, Telus M. ROCKETT, B/M, 6/23/83. I observed a strong odor of alcoholic beverage on WILLIAMSON's breath. I spoke to ROCKETT and he stated that he did strike WILLIAMSON. Texture Night Club employs Midwest Security. P.O. KOOPMEINERS spoke to Security Guard Brian L. DAVIS, B/M, 5/6/83, who stated that both WILLIAMSON and ROCKETT were kicked out of the club for fighting. He stated that once they both got outside they started fighting again. DAVIS stated that ROCKETT tried to punch WILLIAMSON out front of the club. DAVIS stated that he intervened and ROCKETT barely connected with his punch. DAVIS was asked how WILLIAMSON got into the club and he stated that she had to show some form of ID at the door. WILLIAMSON had no ID on her at the time and stated that it was lost in the club along with her keys during the initial fight. P.O. Guadalupe RAMIREZ-CERVANTES followed up on this incident. P.O. RAMIREZ-CERVANTES spoke to Angel L. ACEVEDO, W/M, 10/13/77, who stated he was working the door when WILLIAMSON entered the club. He stated that she had a "legit" ID when she entered the club. ACEVEDO stated that they do have a ID scanner, but it has been broken for a while. He stated that the scanner keeps the images of the ID's forever but isn't working. P.O. RAMIREZ-CERVANTES has requested a copy of the video and will hand it over to me when he gets it. Texture Night Club was cooperative during the investigation.

NARRATIVE SECTION: This report is written by P.O. Jeremy GONZALEZ, assigned to district 2, late shift. On Monday, 03-12-12, at 1:39am, squad 2341, P.O. Lisa PURCELLI and I, was dispatched to a shots fired complaint at 606 S. 5th St. (Texture Nightclub) which was later changed to a shooting when Brandon S. WRIGHT b/m 04-16-89 arrived at Mt. Sinai Hospital with a gunshot wound to the right leg. Upon arrival I observed several security guards for Texture Nightclub in the street directing people out of the area and also pointing police towards the area shots were fired from. Security also pointed out a vehicle that was struck by gunfire during this incident.

The incident occurred across the street from Texture Nightclub in the parking lot belonging to La Fuentes Restaurant during closing time and while the patrons of the nightclub were exiting. The address of this parking lot is 539 S. 5th St. During this incident, a doorman for Texture Nightclub, Angel L. ACEVEDO w/m 10-13-77, called police regarding the shots fired. Squad 2370, P.O. Jon DUCHATEAU, was able to make contact with the owner of the nightclub, Donato SALVO w/m 02-14-77, who was at this location during the incident.

SALVO produced a DVD from the nightclub's video surveillance cameras upon request. SALVO was then interviewed by Detective Michael SARENAC and was able to provide information regarding vehicles and persons that were believed to be involved in this incident. SALVO then took Detective SARENAC to a doorman, Joe M. THOMPSON b/m 08-05-81.

THOMPSON stated he was working as a "Bouncer" during this incident. THOMPSON was able to provide Detective SARENAC with information regarding a possible victim in a robbery attempt, which led to the shooting. THOMPSON gave a description of the victim he knows as "Shawn" and described the vehicle being driven by "Shawn". THOMPSON then advised Detective SARENAC that the armed security guard, Brian L DAVIS w/m 05-06-83, might have more information.

Detective SARENAC then interviewed DAVIS and he stated that he is the owner of Midwest Security Police and was performing his duties for Texture Nightclub during this incident. DAVIS was able to provide Detective SARENAC with detailed information regarding the shooting and also give descriptions of persons and vehicles involved.

This concluded the involvement and cooperation of Texture Nightclub owner and employees. This incident was filed under MPD IR# 12-072-0072. No tavern violations were observed during this investigation. Both the victim and the suspect involved in the shooting admit to being patrons of Texture Nightclub.

NARRATIVE SECTION:

This report is written by P.O. Marco Lopez, assigned to District Two, Late shift.

On the night of Saturday, March 17th, 2012, at approximately 12:45am a patron of the night club became intoxicated and fell approximately 5ft. off a ledge, onto the dance floor. The patron was unable to walk, and conveyed to the St. Francis hospital, where it was later discovered that he had fractured his spine. My investigation pointed to the incident being an accident and was filed under MPD IR# 120770041 as a sick and injured.

On Saturday, March 24th, 2012 I conducted an interview of the injured patron, at Froedtert Hospital, who insisted he was pulled off a ledge by Texture security, even after having multiple eye witnesses state the opposite, including patrons that were with him that evening.

With the full cooperation of Texture, I conducted follow-up investigation, which revealed cameras did not capture the incident, due to the fact that the cameras are positioned in the direction of the bar and not the dance floor. I conducted interviews of various employees, including the night club's licensee, Salvatore Salvo. Witness statements place the patron standing on top of a ledge, while under the influence of alcohol, and accidentally falling off.

End report.

NARRATIVE SECTION: This report is submitted by P.O. Matthew DAVIS, assigned to District Two, Early Shift.

On Monday, March 19th, 2012, at approximately 4:43 PM, I was dispatched to investigate a walk-in battery complaint at the District Two police station.

Upon arrival, I spoke to the victim Spencer E. LUCKETT (B/M, 03/17/86), inside of the lobby at District Two. LUCKETT stated that on 03/19/2012, at approximately 2:00 AM, he was outside of the Texture night club located at 606 S. 5th St. with a friend. LUCKETT stated that he was not inside of the club at any point during the evening, and that he drove to the area in an attempt to meet women. LUCKETT stated that while he was standing outside, an unknown black male punched him in the mouth one time, causing his front left incisor to dislodge. LUCKETT stated that he did not know the reason as to why the subject attacked him. LUCKETT left the scene and did not notify police immediately because he wanted to leave the area.

On 03/25/2012, P.O. Jose ACEVEDO conducted follow up at the Texture night club to obtain video. P.O. ACEVEDO was met by one of the owners of Texture, Donato SALVO. (W/M, 02/14/77). P.O. ACEVEDO advised SALVO of the incident that took place outside of his nightclub. P.O. ACEVEDO and SALVO watched the video from the time the club was closing (approximately 1:10 AM to 2:00 AM). P.O. ACEVEDO did not observe any fights or altercations outside of the nightclub. P.O. ACEVEDO did observe marked police squads driving in the vicinity during this timeframe. SALVO was cooperative throughout the investigation.

NARRATIVE SECTION:

This report is written by P.O. Guadalupe RAMIREZ-CERVANTES, assigned to Sq. 2432 (P.O. Justus KENNETH and I), at District Two, Late Power Shift.

On Monday, 06-04-12, at 01:37 AM, we responded to 606 S 5th St (Club Texture), regarding a subject with a gun.

An individual by the name of Michael E FIELD (B/M, 09-09-85) was kicked out of Texture nightclub by security staff after attempting to start a fight. FIELD came back several minutes later with a black .357 magnum revolver. FIELD began to wave the gun around and demanded the individuals that he was going to fight to come outside. Security staff notified armed security guard Brian L DAVIS (B/M, 05-06-83) about FIELD.

DAVIS responded and confronted FIELD on the southwest corner of S. 5th St and W Bruce St. FIELD's when confronted by DAVIS handed off the gun to another subject on scene by the name of Camron Rufus SPENCER (B/M, 10-16-84). DAVIS drew his sidearm and began to give SPENCER commands to drop the gun. SPENCER ran off westbound on the 500 block of W Bruce St but was apprehended along with FIELD by DAVIS.

DAVIS then called the police. DAVIS recovered the gun from SPENCER. Squads then responded and took possession of the firearm from DAVIS. Both subjects were convicted felons and were arrested. Texture security staff assisted police by blocking off the street not allowing vehicles to enter our scene. Club owner Salvatore SALVO was on scene and assisted officers with anything needed. SALVO, along with his staff, was very co-operative.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

On October 19, 2021 at 9:30AM I Officer Carlos Felix assigned to District One, Day Shift conducted a CPTED at 628 N Water Street. The business is housed on the ground floor of a mix use building. There is a current licensed business operating from the location known as The District, which holds all of the current licenses. The business was not well maintained at the time of the inspection. There are multiple cameras throughout the business which may remain

after the change of tenants and the new agent Salvatore has plans to add additional cameras and update the hard drive. There will be minor changes to the existing floor plan.

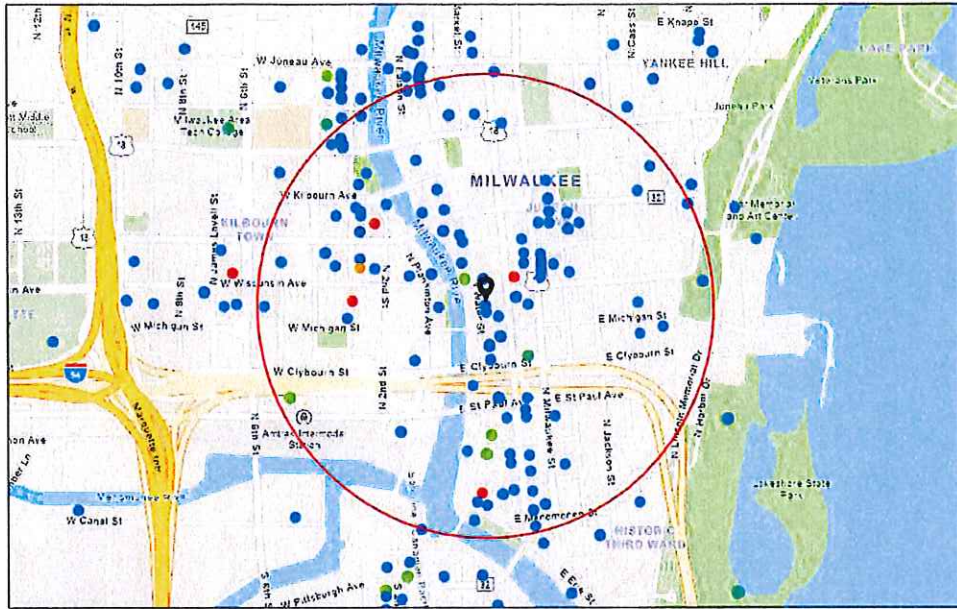

This ends the CPTED.

Tuesday, January 25, 2022 at 09:55 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place virtually on 01/25/2022 at 09:55 AM. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
