**Subject:** I vote "No" to the Klein 5-story, Mixed-use building - Oakland and Locust

**Date:** Mon, Oct 23, 2017 11:14 am

---

James, i strongly oppose this 5-story mixed-use building as it would increase traffic at this already busy and messy intersection..

Can you add my name to the list of opponents.

I wish the corner would be improved by building cleaner and newer storefronts but I don't see the need for a taller building that will include housing. Students already trash the streets in our area when they discard all sorts of broken furniture in the streets.

Dr. Bernard Zinck, 3022 N. Cambridge Avenue, Milwaukee WI 53211

Thank you for your involvement in this,  
Bernard Zinck
