City Attorney
City Attorney's Office
City Hall, Room 800

Dear Mr. Langley:

For the past several years the City of Milwaukee has run its citywide raffle for the annual Combined Giving Campaign. The license that had been used for the raffle was United Way's raffle license. United Way has now been informed by the State that the City cannot use United Way's license for this purpose.

I have contacted the Wisconsin Department of Gaming and was told that the City can obtain their own license by having the City Clerk write them a letter requesting one. There is a \$25.00 fee for this. I have spoken to the City Clerk and he referred me to your office for your approval.

I am requesting that your office please look into this request.

Several donations have already been made for this raffle and the campaign starts September 17th, so it is imperative that we know how to proceed with this matter soon.

If you have any questions, please contact Pat Lowe, one of the Loaned Executives for this year's campaign, at 286-3110.

Your assistance would be greatly appreciated.

Sincerely,

Martin J. Goldstein
