Renewal Applications for "Mr. B's Restaurant" at 8617 W BROWN DEER Rd.**

Dear Ms. Garcia and Mr. Berry,

On Tuesday, July 11, 2023 the Granville Advisory Committee met to review your business operations and Class B Tavern License, Public Entertainment Premises and Food Dealer License Renewal Applications for "Mr. B's Restaurant" at 8617 W. Brown Deer. Rd. Based on the information provided, the Granville Advisory Committee recommended to support your license renewal applications and business operations based on your business operations plan having security measures (parking lot patrol and ID scanner) in place to address secure parking, parking lot traffic, and handling of patrons fighting incidents without major incidents.

The Granville Advisory Committee requests that this advisory recommendation be considered and supported by the Common Council, the Board of Zoning Appeals, the City Planning Commission, appropriate City officials, or other relevant City decision-making bodies on development proposals within the Granville Development District.

The Granville Development Advisory Committee was established to review plans and proposals for redevelopment projects in the Granville Development District for consistency with the goals, needs, and desires of the Granville community and its residents, businesses, property owners and other stakeholders.

The Granville Development District consists of the city of Milwaukee portion of the area bounded by W. County Line Road, W. Good Hope Road, N. 60th Street and N. 107th Street.

If you have any questions, please contact the Staff Assistant to the Committee, Chris Lee, at 414-286-2232, or clee@milwaukee.gov.
