City Clerk,

I am filing a claim to seek reimbursement of \$114.05 for damage to my vehicle while on city property. On April 27, 2011, I arrived at work at 7:30am and parked in the employee parking garage located at District 3 police station at 2333 N. 49th St. I parked my vehicle in parking space number 260. When I returned to my vehicle at the end of my shift at 3:30pm the back windshield was completely covered with a gray residue. This gray residue was liquid cement and lime that was dripping from the parking garage. The parking garage has several holes and cracks and when it rains this residue drips. This residue splattered onto my trunk and roof as well. I took the car to the car wash immediately and some residue was removed but a great portion remained. The parking space number 260 that I parked in was not blocked off with a no parking sign. I also filed a Memorandum with my supervisor the next day on April 28, 2011 regarding this incident.

I took my vehicle to three auto body repair shops to get an estimate on repair. 1st shop was Meticulous with an estimate of \$114.05. 2nd Toyota with an estimate of 114.05. 3rd shop Pinkey's Capital Auto Body with an estimate of \$1883.65.

Sincerely,

CITY OF MILWAUKEE
