owners, and community members in a collaborative crime prevention task force. On Saturday we were assigned to the area of N. Water St. and E. Juneau Av.

At approximately 3:10 AM I observed large groups of customers going in and out of the QDOBA restaurant located at 1150 N. Water St. I observed people sitting at tables eating with signs on them stating not to sit there. I also observed customers standing in close proximity to each other while in line to place their order for food. I went inside of the business and asked the cashier if she knew what their capacity for the store was. The Cashier looked up at the posted Department of Neighborhood Services sign with the Capacity of 68 people listed on it. I observed approximately 40 customers and 4 employees working.

The City of Milwaukee Health Department has a plan for the safety of residents due to the COVID-19 outbreak, which businesses are ordered to follow. The safety plan states that business should only have take out and pick up orders allowed, and should limit their capacity to 50%. These rules are to help stop the spread of COVID-19.

I also observed garbage from orders sitting on tables unattended, garbage on the floor, and no staff members cleaning or sanitizing the tables that were being used. It should also be noted that there were no staff members keeping count of how many customers they were allowing in the store at one time.
