Re: Milwaukee Hilton Announcement

I am pleased to announce that John Archibald has accepted the responsibilities of General Manager for the Hilton Milwaukee City Center. John has successfully served Marcus Hotels and Resorts for 12 years in the role of General Manager, from his beginnings at the Mead Inn in 1994, to his work at the Beverly Garland from 1996 to 2000, to his most recent assignment at the Hilton Madison and now at the Hilton Milwaukee.

John's roots reach all the way back to Scotland where he grew up. Immediately prior to John's wonderful accomplishments with Marcus Hotels he worked for Stouffers Hotels and Resorts for 12 years. John, his wife Patty and daughter Kylea will be relocating to Milwaukee and we are thrilled to welcome them to the community.
