Community School

Preschool Program

- The program serves 348 students ages 3 to 5 years old.
- All programs are available from 7:30 to 5:00
- 96% of our students are Hispanic.
- 77% of our students receive free or reduced lunch.

Goal of Program:

Prepare children for the academic rigor of elementary school by providing a strong academic, social and emotional foundation.

with little or n

Services

Students receive English Language Support.

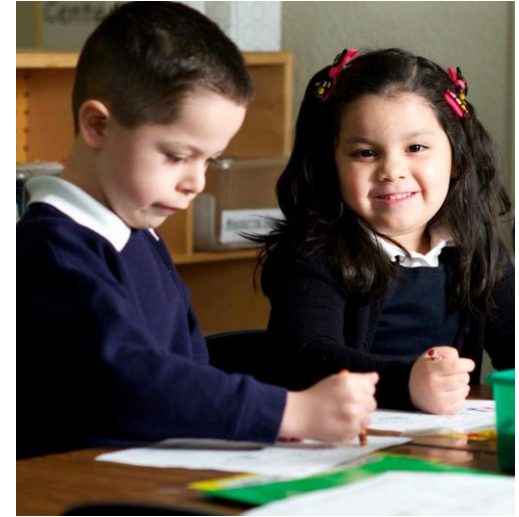

ELL students have the support in small groups from Teachers and ELL Specialist.

One staff in each classroom is bilingual.

Staff receive professional development in strategies and techniques when working with ELL students.

K4 and K5 receive Special Education Services on site.

Including O.T. Speech and Language Therapist, and Special Education Teacher for academic support.

Parent involvement

We encourage parent involvement by participating in the following activities:

Informal meeting with teachers and staff

Chaperoning field trips

Participating in events; United Nations Day, Harvest Parade,

Thanksgiving Potluck, Holiday Concert, Valentine's Celebration,

Field Day, Preschool Graduation etc.

Parent Involvement Committee (PIC) parents meet once a month and

discuss school policies, fundraisers, any ongoing school events, etc

Parent - School Communication

Class Dojo: a web based program that allows teachers and parents to be connected and interact in real time.

Parents can see pictures of all the activities that occur throughout the day.

Parents are able to communicate by phone, email, notes, etc

Parent  ation about
