Re: Claim for damages incurred in towing

To Whom It May Concern:

My name is Benjamin Rothschild. I am currently a MIAD student and resident at the Colonial, at 826 North Cass Street. On Friday, November 4, 2005, I parked at 914 E Kilbourn Avenue with my District 4 Overnight parking pass, as I do most nights.

I woke up the next morning only to hear my car alarm going off, as my car was towed away. Unfortunately, there was no sign posted when I parked the evening before, for if there were any signs posted for the proceeding event, I could have easily, and would have, parked at any of the many spots on Cass, Wells, or even Mason.

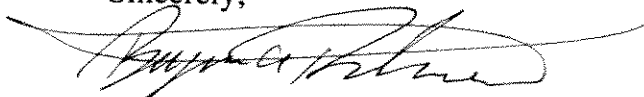

To make things even worse, I picked up my car the following Monday, after it was held for two days (as the lot was closed by the time I was able to make it to the lot where my car was being held, on Lincoln Ave.).

Not only was I charged nearly \$200 for towing, storage, and "illegal" parking, but also my new truck was damaged as it was taken from me.

My truck was returned with major damage to the left side of the front bumper. The hole is too large for fiberglass repair and needs to be replaced. Enclosed with this letter is an estimate of the cost of repair (\$1429.36).

Also enclosed is a copy of the parking ticket and towing receipt. I appreciate your time and hope to settle this case with as much ease as possible.

Sincerely,

Benjamin Allen Rothschild
