Item: 1. 241791 Motion directing the City Clerk to expend from the resources reserved from the Council-Led Transfer Fund.

eComment: I believe Trump's mandate to stop all federal support for refugee resettlement was inhumane. Thousands of lives are in peril and many organizations are struggling with funding. Hanan, a local refugee support organization, is one such non-profit. But they need the city's help. Let the experts do what they do best - provide essential care and support for refugees - and take the burden off Milwaukee. I support funding Hanan.
