Re: Report on the Renewal Application of the Class "B" Tavern and Public Entertainment Premises (PEP) Licenses of Claiborne M. B. Green, for the premises located at 906 South Barclay Street in the City and County of Milwaukee, Wisconsin ("The Point").

FINDINGS OF FACT

1. Claiborne M. B. Green (hereinafter "the Licensee") is the holder of a Class "B" Tavern and PEP Licenses for the premises located at 906 South Barclay Street in the City and County of Milwaukee, Wisconsin ("The Point"). Said license expires at midnight on July 16, 2017.
2. An application to renew said license was filed with the Office of the City Clerk on June 9, 2017.
3. Pursuant to Chapters 85, 90, and 108 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation. On June 9, 2017, the Milwaukee Police Department responded with a report that could form the basis for nonrenewal of said license.
4. On June 16, 2017 the City Clerk's Office provided timely notice to the Licensee pursuant to Chapter 68, 85 and 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of the Milwaukee Police Department and included therewith a copy of the Milwaukee Police Department report, and on the neighborhood objections. The matter was scheduled for a hearing on the police department report on June 27, 2017, commencing at approximately 10:30 a.m. in Room 301-B of the third floor of City Hall. At said date, time and place, the Licensee appeared at the hearing and admitted receipt of the notice of hearing, together with a copy of the Milwaukee Police Department report. The Licensee was represented by Attorney Vincent Bobot.

5. Based upon the sworn testimony heard and the evidence received at the hearing, the Committee finds the following:

A. On February 17, 2017 Milwaukee Police Department officers responded 906 S. Barclay Street to investigate a pedestrian struck by a vehicle. The investigation revealed a security guard was attempting to speak to the driver of a vehicle, when the vehicle suddenly drove off causing the guard to fall to the ground. The security guard was not injured. Subsequent investigation revealed that the Licensee had not obtained the proper permit to host this event.

B. On March 17, 2017 at 11:05 p.m. MPD officers responded to trouble with subject complaint at the intersection of S. Barclay Street and W. National Avenue. The officers found a large group of juveniles that had left an underage event at The Point that ended at 10:00 p.m. The juveniles were running in and out of traffic, yelling profanity at the police and participating in small fights. Four subjects were detained and cited. The Licensee was also cited. Subsequent investigation revealed that the Licensee had not obtained the proper permit to host this event.

C. On March 31, 2017 MPD officers were monitoring the area near The Point due to an underaged event. The event ended at approximately 10:45 p.m.. Approximately 100-150 juveniles began running in and out of traffic, throwing rocks at moving vehicles, and fighting. The juveniles then went to a nearby gas station causing the business to lock its doors. Some juveniles in vehicles were cruising in the area creating traffic congestion. A total of 17 officers responded to restore order. The officers found that the applicant had hired a promoter for the event and had not obtained the proper license for this event.

D. On April 10, 2017 a meeting was held with the Licensee regarding the recent underaged event held at The Point, Also present at the meeting was Travis Chambers of Fresh Productions, who was the promoter that organized a recent underage event at The Point. He

stated the hours of the future events would change from 7:00 pm-11:00 p.m. to 4:00pm-8:00 p.m. He has roughly 30 staff who “wand” attendees and he will have them conduct “pat downs”. He stated that he would have staff track attendance to remain under the maximum capacity of 385. He is requested to increase off-duty officers from 4 to 8 and will increase security to cover S. 1st St.

- E. On April 17, 2017 at 7:50 p.m. MPD officers were assigned to monitor a juvenile event at The Point. The officers secured the event at 11:15 pm without incident.
- F. On April 20, 2017, MPD officers received a complaint of naked women dancing at an event at The Point on April 15, 2017. The officers interviewed the Licensee who stated there was a private event on April 15, 2017. He stated a couple of women stripped down to bikini tops and bottoms. The Licensee indicated he was aware full nudity is not allowed. The officers asked to view the video surveillance for that night and the Licensee told them he did not know how to operate the surveillance system at that time. He stated he would contact the building owner and advise when the footage was available.
- G. On May 12, 2017, the Licensee met with representatives from MPD, the City Attorney’s Office, and Alderman Jose Perez at Milwaukee Police District 2 regarding the incident outlined above in paragraph F. During this meeting, the Licensee explained that he observed things during the event that he knew were incorrect but he took no action to correct them because he was scared. Additionally, the Licensee denied that there was a collusive agreement between himself Robert Smith and Patsy James. It was suggested that he not use promoters, attend another PIVOT training, and that he provide an events list to the district. The Licensee agreed to replace or repair the camera system, attend another PIVOT training, only use the establishment for special events, and provide a list of events for the district.
- H. At the hearing Atty. Vincent Bobot stated that the event organizers threatened to sue the Licensee if he did not honor the contract for the event referenced in Paragraph F. Prior to the event, Licensee met with security he hired, the promotor’s security team and agreed on ground rules for the event. The Licensee stated he has stopped taking bookings from promoters since the above referenced incident. Atty. Bobot stated that the licensee made a mistake and had no prior discipline, there will be no promoters in the future, and the Licensee will be in control.
- I. Milwaukee Police Department District 2 Captain Heather Wurth presented surveillance video of the event to the Committee. Captain Wurth indicated that there is no full nudity on the video but

it would depict the type of conduct takes place at the establishment. She stated that a meeting was held with the Licensee but has concerns about his apparent lack of knowledge about the requirements of his licenses. He failed notify the police department of two underage events and was cited for not doing so. She stated that there was a lot of manpower used to respond to the above referenced incidents.

- J. Ald. Zielinski stated that the applicant did not take the advice of the officer to add security.
- K. Ald. Coggs asked the Licensee about the content of the video. She asked how the Licensee's contracts have changed, and whether there is any language in the contract that states he can cancel the contract if there are violations of the rules. She asked how many security guards were on staff, why there was no intervention by the Licensee's security staff, and why the security guards continue to hold positions at the establishment.
- L. Ald. Lewis asked the applicant why he moved forward with the event when he noticed it was a negative event. She pointed out the fact that Atty. Bobot stated that the security was there for each dancer indicated that the applicant had some foreknowledge of what was taking place on the night in question. She asked Mr. Robert Hamilton, who worked security the night of the event referenced in paragraph F, if he witnessed the incident involving underage patrons. She asked Ms. Lena Cole, a citizen who testified in support of the Licensee, to explain the difference between a promoter and a consultant.
- M. A discussion was had between the Chairman of the Committee and Atty. La Keisha Butler, City Attorney's Office regarding the broadcast of potentially explicit content on public television. The Chairman offered citizens in the room the opportunity to leave the room before the video was shown and decided not to show the images on the recording on camera.
- N. Ald. Perez asked the Licensee how the event on the video fit in with the category of "Special Event".
- O. Robert Hamilton, 904 S. 1st Street, stated that he is in support and the neighborhood has been quiet since the applicant has been in operation.
- P. Derek Collins, 2124 N. 61st Street, stated that he held his wedding at the establishment last year and is in support of the Licensee.

- Q. Lena Cole, 1830 N. Hubbard Street, stated that she has partnered with the applicant, helped promote events, now consults, and is in support. She explained that the applicant asks her for advice on what type of event to hold to bring in a particular crowd, whereas promoters put the entire event together and often do not respect the rules of the establishment.
- R. Tacorey Edwards, 5702 N. 92nd Street, stated that she provides security for the Licensee and is in support. She stated that she was present on the day of the incident but was at the door checking for weapons. She stated that a briefing was held and it was made clear that no nudity was allowed and should be addressed immediately if it occurs. She stated that when drunken behavior is displayed patrons are redirected. She further explained that she checks female patrons at the door, checks restrooms, the exterior of the premises, and general areas of concern.
- S. Brandon King, 8814 W. Lynx Avenue, stated that he works security, has not had any issues at the location, and is in support. They have briefings for events to have understanding of events before they occur.
- T. Homer Blow, 2003 W. Capitol Drive, stated that security was not doing best job at this particular event, but the establishment should still be able to operate. He has witnessed positive events there and is in support. He stated that a penalty is warranted but not nonrenewal.
- U. Ald. Perez moved approval with a 30 day suspension based on the police report and videos.
