To the Honorable, the Common Council

Subject: North 20th Street (STH 57)
West Hopkins Street to
West Capitol Drive

Dear Council Members:

North 20th Street (STH 57) West Hopkins Street to West Capitol Drive located in the 6th Aldermanic District is a connecting highway and included on the Wisconsin Department of Transportation (WISDOT) State Trunk Highway Improvement Program.

This street is eligible for federal/state cost participation for improvements. We have received preliminary approval from the WISDOT along with a project agreement to be executed by the City of Milwaukee for programming and construction.

We have therefore prepared the attached resolution, which authorizes the Commissioner of Public Works to execute the project agreement with the WISDOT for the programming of the improvement of North 20th Street (STH 57) from West Hopkins Street to West Capitol Drive with federal/state aid. This resolution also directs the City Comptroller to transfer funds and establishes the necessary subaccounts for the preliminary engineering work for this project.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
