This is in response to a request we received from the Ball Metal Corporation located at 8500 West Tower Avenue to install the above-captioned parking restriction to aid trucks in maneuvering to their loading docks and provide sight visibility clearance for motorists exiting from one of their driveways. Since the Ball Metal Corporation owns the property adjacent to this restriction, we recommend the installation of this restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
